**Von Kassandra Kush : The Prologue (The Things We Can't Change Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Prologue (The Things We Can't Change Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nichts fir schwache Nerven-3.5 Sterne!Von CustomerEhrlich gesagt, hatte ich nicht wirklich viel von diesem Buch erwartet. Da

es jedoch kostenlos angeboten wurde und zudem sehr kurz war, habe ich mir das Buch gekauft und auch direkt angefangen zu lesen. Ich muss sagen, dass diese Geschichte wirklich ziemlich fesselnd war und ich sie in einem Rutsch durchgelesen habe. Die Story wird aus zwei Perspektiven erzählt: Einmal von Evangeline, das reiche Mädchen, das alles zu haben scheint und von Ezekiel, einem Jungen aus eher rmlischen Verhltnissen. Wer jetzt denkt, dass es sich hierbei um eine tragische Liebesgeschichte handelt, irrt sich gewaltig. Anstatt um Liebe, geht es hier um Misshandlung, Vergewaltigung, Rassismus und Armut. Man sollte definitiv keine glcklichen Momente in diesem Buch erwarten, da die Atmosphre auch die ganze Zeit sehr drckend ist und den Leser ziemlich mitnimmt. Leider konnte ich nicht wirklich mit den Charakteren warm werden, vor allem nicht mit Evangeline, was sehr schade ist, da es hauptschlich um sie geht. Natrlich tat sie mir leid, jedoch konnte ich keine Bindung zu ihr aufbauen. Ezekiel ist ein guter Mensch, der sich liebevoll um seine Schwester kmmert. Jedoch ist auch er vom Leben gezeichnet. Whrend der ganzen Geschichte bleibt man den Charakteren etwas fern, jedoch knnte es sein, dass das beabsichtigt ist, da das, was Evangeline erleben muss wirklich haarstrubend und schrecklich ist. Das Ende ist ein wirklicher Schocker, mit dem man anfangs wirklich berhaupt nicht rechnet. Zum Weiterlesen animiert dieses Ende auf jeden Fall, was wahrscheinlich auch Sinn der Sache war. Insgesamt empfehlenswert, jedoch kein Buch, dass man einfach so fr zwischendurch liest.

Kurzbeschreibung Ezekiel Quain has learned over the years that love and family are nothing to be depended on. After standing strong next to his mom through her cancer, she ran off, leaving Zeke, his dad and little sister to struggle with the leftover medical bills, and a bad taste in Zekes mouth about counting on anybody. His relationship with his father is strained, and the only person he cares for is his little sister, Cindy. With looks, attitude, and words, Zeke keeps everyone at arms length. Evangeline Parker has it all: money, beauty, brains, and the perfect boyfriend, Tony. What everyone doesnt see is that shes trapped, and has been for two years. She lives every day in fear, hiding the fact that Tony isnt the perfect man everyone thinks that he is. She walks a tightrope, trying to reconcile the Tony of the past with the Tony of the present, and to never, ever upset him. Terrified of anyone finding out the truth, she doesnt get too close to anyone and has been struggling through the past two years alone. When Zeke stumbles upon Tony and Evie one night and learns of her secret, their worlds begin to collide in a way neither of them expected. Before he can stop himself, Zeke finds himself stepping uninvited into Evies life, and urges her to tell someone. Evie refuses, terrified of the repercussions from Tony. Not even sure why he cares, Zeke can only watch from a distance, until disaster strikes and Evies secret comes to light, and they are both forced to take action. \*\*\*Due to language and mature situations, this book is recommended for readers 16+\*\*
