Keine SpannungVon bensNachdem ich das Buch HALB durchgelesen habe, kann ich nur folgendes feststellen:Die Geschichte fngt ja ganz ok an, und man liest sich schnell in die ersten Seiten, jedoch passiert nachdem die

Hauptdarsteller in die magische Welt geswechselt sind nichts spannendes mehr. Sie helfen, sind super alle sind freundlich. Bis zum halben Buch hatten sie nur 2 halbwegs "gefhrliche Situationen", die jedoch spielend bewltigt wurden...Dieses Buch wird meine Nummer 5 von Bchern die ich angefangen habe zu lesen und wohl NIE fertig lesen werde (Bei inzwischen ber 800 gelesenen wohlgemerkt...)Mir kommen die anderen Kritiken hier auf der Seite stark so vor als htte der Autor seine Freunde dazu berredet Kritiken abzugeben. Bei einem Buch mit nur guten Kritiken htte ich echt anderes erwartet...1 von 3 Kunden fanden die folgende Rezension hilfreich. SpannendVon G. KurzbeschreibungDragons, griffins, and BNPs (Bugs of Nightmarish Proportions). Never in their wildest dreams could they have imagined what was in store for them.After learning they had inherited an enormous mansion and a huge tract of land from a reclusive set of relatives, Steve and Sarah Miller decide to take a few days off to investigate their new-found fortune in the quiet northern Idaho resort town of Coeur dAlene.While taking inventory of the vast manor, they discover a unique set of doors on the top floor of their new home. Believing them to be an ornate decoration, the portal (disguised as a simple door) is accidentally activated. Staring at the impossible sight of a lush forest through the active portal, they are presented with a tantalizing decision: check out the impossible or check in to a funny farm. Curiosity getting the better of them, they step through and both are instantly sent on a one-way journey to a land straight out of the fairy tales!Realizing they were now stranded on a world populated with creatures that should only exist in their imagination, they enlist the aid of the local king and queen. Their troubles continue to escalate, however, as it is revealed their arrival had long been foretold by an ancient local prophecy which bestows upon them the status of Royal Bodyguards to the young crown prince.Stuck on a foreign world where mythical creatures abound, trying to avoid being attacked by griffins, and hoping to impress a living, breathing dragon, the newly appointed babysitters must find a way to return home soon before harm could befall the young prince.Some days it didn't pay to get out of bed.-----"I loved this book. It had so much imagination to it. Great for young and old." - D. Estrada"There's adventure a little humor and all the characters are just right. " - Happy2Day,"I especially liked that this story revolved around a husband and wife team, rather than being the typical "hero's journey" of an adolescent boy." - M.L.KurzbeschreibungDragons, griffins, and BNPs (Bugs of Nightmarish Proportions).
