**Von Judith Ivory : The Proposition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Proposition:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. SUPER DUPER FIVE STARS FOR THE PROPOSITION!Von JulianneThe Proposition is my first Judith Ivory novel and I am soooooo impressed! I read all the great reviews regarding this book and when I got my hands on this book, I couldn't put it down! True to the reviews, this book has great plot, great characters and a great ending! I couldn't stop sighing at the end! Loved Mick and Winnie's story and I laughed so much! And there were many poignant moments, as well! (Wait til you "hear" Mick sing!) The sexual chemistry between the two were strong and powerful... I just couldn't get enough of the two! Mick, even when he was "unpolished" was sexy and totally charming! My heart just went out to him! As for Winne, she was not the typical romance heroine but strong and individual and beautiful in her own way. I just like Winne so much! After I finished the book, I had to flip through it again to savor the "good" parts.If you're thinking about getting this book, don't wait- GO GET IT NOW!1 von 1 Kunden fanden die folgende Rezension hilfreich. THIS IS A GREAT BOOK!Von Ein KundeThis was the first Judith Ivory book I have read and I absolutely loved it. Winnie and Mick were such great characters. I really liked Mick. He seemed almost innocent (though, of course, he wasn't). The scene with Winnie dancing on the tables was great. He had a way of bringing out her secret desires. They seemed to have such a great relationship. This book also had several funny moments. I have fallen in love with Judith Ivory's writing style and hope she continues to write such great books. In fact, I ran right out to my local used bookstore and bought "Beast" and "Sleeping Beauty," which were also very good. I also bought two of her books that she wrote under the name of Judy Cuevas. I haven't read them yet, but am looking for to it. This book is making the rounds at the office and is definitely a keeper!0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun book from a terrific writer, but the end was predictableVon Vegan FoodieIvory is perhaps the best romance writer around these days, hence I have to give THE PROPOSITION five stars. The mustache shaving scene alone deserves it!This book had wonderful characters, great description, strong metaphors, erotic loves scenes, and a plot that kept me turning the pages. The writing is twenty times better than what you see in most romances.What more could I ask for? Unfortunately, I have to agree with the reviewer below. A fresh and original ending was the one thing this book lacked. Ivory made Mick and Winnie so real that when her plot took a cliché turn, I was disappointed. This kind of thing is par for the course in a lot of romances, but this book was so great that I expected something more original.I absolutely agree that the duke was convinced too easily, and the readers as well... What's more, I would have rather seen the unconventional characters go in a less conventional direction. The whole point the book made about class structure was contradicted by the way it ended. Even so, it's a terrific, funny and sexy read, and quite likely the best romance of the year.My favorite books by Ms. Ivory are BEAST, and DANCE, which she wrote under the name Judy Cuevas. I hope to see it back in print soon!

KurzbeschreibungNo man, gentleman or otherwise, has ever looked at Lady Edwina Bollash the way the brash, handsome man standing before her is doing now. Edwina has accepted the challenge to transform incorrigible Mick Tremore into a gentleman in just six weeks. And although the linguist is sure she can rise to the task, she isn't at all certain she won't swoon under his frankly sensuous gaze before her job is done.Mick has lived outside of London society long enough to know that appearances can be deceiving. Edwina might look all buttoned up-the perfect English lady-but there is unleashed passion existing just below her placid facade (not to mention a great pair of legs!). And as she prepares him to take his place in society, Mick prepares Edwina to take her place in his heart...and in his bed..deSetting: Regency England Sensuality Rating: 8 Lady Edwina Bollash is a talented linguist, but she may have taken on more than she can handle when she accepts the challenge of transforming handsome commoner Mick Tremore into a gentleman. She only has six weeks to accomplish the daunting task, but Mick proves to be a quick study. Unfortunately for Edwina, Mick is also utterly irresistible. Edwina soon finds herself loving everything about the brash charmer whose approach to life is so less restrictive than her own. But she's a lady and he's a commoner--or is he? And Lady Edwina can't possibly have a future with this handsome, impossible man--or can she? The classic Pygmalion tale takes on a new twist in Ivory's version with a plot that springs some surprises on the reader. With a villain one loves to hate, a hero and heroine that are so much fun to watch spar and spark, and a cast of secondary characters that add texture, The Proposition is pure delight. Don't miss the fun. --Lois Faye Dyer.comSetting: Regency England Sensuality Rating: 8 Lady Edwina Bollash is a talented linguist, but she may have taken on more than she can handle when she accepts the challenge of transforming handsome commoner Mick Tremore into a gentleman.
