Vergngliches Bchlein, direkt aus dem illustren Leben der Mitford Schwester gegriffen.Von margaritaTeils herrlich pointiert, teils aber mit uninspirierten Lngen ist dies eine angenehme Lektre fr alle, die z.B Downton Abbey lieben. Beobachtungen wie "left-wing people are always gloomy because they mind dreadfully about their causes, and the

causes always go badly. But I wish they would brighten up their parties a bit or stop giving them. I don't see the point of sad parties, do you? " oder "I have seen too many children brought up without Nannies to think this at all desirable. In principle, the parents would gradually become morons themselves, while the children behaved like barbarians." bringen einen immer wieder zum Schmunzeln. Aber dennoch - Nancy Mitford ist keine Jane Austen, kein William Thackeray. Ich habe den Eindruck, dass sie sich bei all den Passagen, die sie nicht direkt aus ihrem eigenen Leben ableitet, schwer tut. Gottseidank hatten die illustren Mitford Schwestern ein facettenreiches Leben und von sehr schrägen Kindheitserlebnissen im englischen Landadel bis hin zu persönlichen Verwirrungen im Kommunismus setzt Mitford auf ausreichend Nährboden auf, um darauf ein durchaus vergnügliches Bchlein für ein faules, nettes Wochenende zu bieten. 0 von 2 Kunden fanden die folgende Rezension hilfreich. Gutes Englisch Von Chringo Die Sprache, die Milford verwendet ist passend zum Inhalt. Das Milieu in dem der Roman spielt wird gut dargestellt und ist pointiert beschrieben.

Kurzbeschreibung Nancy Mitford's *The Pursuit of Love* is one of the funniest, sharpest novels about love and growing up ever written. 'Obsessed with sex!' said Jassy, 'there's nobody so obsessed as you, Linda. Why if I so much as look at a picture you say I'm a pygmalionist.' In the end we got more information out of a book called *Ducks and Duck Breeding*. 'Ducks can only copulate,' said Linda, after studying this for a while, 'in running water. Good luck to them.' Oh, the tedium of waiting to grow up! Longing for love, obsessed with weddings and sex, Linda and her sisters and cousin Fanny are on the lookout for the perfect lover. But finding Mr Right is much harder than any of the sisters had thought. Linda must suffer marriage first to a stuffy Tory MP and then to a handsome and humourless communist, before finding real love in war-torn Paris. . . 'Utter, utter bliss' Daily Mail
