Von Craig R. Saunders, Craig Saunders : The Queen of Thieves (A Heroic Fantasy Novel): The Line of Kings Trilogy Book Three (English Edition) before purchasing it in order to gage whether or not it would be worth my

time, and all praised *The Queen of Thieves* (A Heroic Fantasy Novel): *The Line of Kings Trilogy Book Three* (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A fitting end to a great series.Von ReggieThis series of books really hit home for me, and *The Queen of Thieves* finished it off nicely.What I liked about the series as a whole was the slow introduction into the world Mr. Saunders created. Information about the various characters was drip fed to the reader throughout the three books so there wasn't the usual overload of strange names and fantastical creatures that can be so off putting to people like myself; people who like a bit of fantasy, but don't want to buy a dictionary to understand the storyline.Well done Mr. Saunders, a thoroughly enjoyable book and a great series.

Kurzbeschreibung'For fans of Gemmell, Eddings and Erikson: Heroic, epic fantasy.'There are no more kings on Sturma. The Thief King, Roskel Farinder, remains the Lord Protector of the country, but he is no king. The Hierarchy amass on Sturman borders and it is left to true heroes to save Sturma and Rythe herself.But this is a battle that cannot be won with the blade and bow. There are still witches, though...still those who have power and hold to the old ways. In the face of overwhelming odds, only a woman's magic can save the world and a woman's magic is a terrible thing.Selana, the head of the Witches' Covenant, knows this only too well. To stand a chance of defeating the Hierophant and his forces, she must call forth the most terrible magic of all. She must show the world the power of *The Queen of Thieves*.*Contains bonus material*Note: This is the third book in the trilogy that begins with *The Outlaw King* (Book One), and follows on from *The Thief King* (Book Two). Consider buying the boxed set edition for a saving, containing all three tales in *The Line of Kings Trilogy*.*Editor Faith Kauwe.Cover Art Chris Taggart.Kurzbeschreibung'For fans of Gemmell, Eddings and Erikson: Heroic, epic fantasy.'There are no more kings on Sturma.
