**Von Nicola Cornick : The Rake's Mistress (Bluestocking Brides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rake's Mistress (Bluestocking Brides):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. sexy - if you don't want accuracy or depthVon Ein KundeAs I just critzised The Luxe I thought I give this book it's due. I bought it by mistake and the first of the two novels inside is pretty dreadful. The second, however, has some really

good love scenes. (And I mean Really Good Lovescenes - detailed and loving, but not disgusting) So if you don't want period accuracy or any kind of high level writing this book will keep you warm at night. Enjoy.
