boring Von miu sorry, this book was totally boring. I didn't like the heroes and i had to force myself to finish it. The idea of poor rancher having a really expensive vet to take care of the old sick animals. I am too realistic to believe that

a rancher has such priorities. Heroine was a rich girl, so dum I wanted to hit her. So this one shows it is difficult to write a book in the series when someone else has given you a writing formula.0 von 0 Kunden fanden die folgende Rezension hilfreich. Howlingly funny!Von Ein KundeA refreshing twist on the traditional cowboy story. Between the elephant, the monkey and the dueling fortune-tellers, I spent the entire book laughing. MacAllister puts together a great romance and a fabulous story.
