Von Nicole Jordan : The Rancher's Untamed Heart (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rancher's Untamed Heart (English Edition):

Kurzbeschreibung Wherever Naomi goes, she struggles to prove herself. Small and pretty, she walks onto a ranch and no one takes her seriously. Her dearest friend keeps telling her that her boyfriend Justin's all wrong for her, but she can't seem to let him go, until he finally shows her who he really is. Clint is six feet of rugged cowboy, with muscles that work almost as hard as as he does. Raw and grieving the loss of his parents, a USDA inspector is the last person he wants on his struggling ranch. Fate throws them together, all hard edges and flashing eyes. How long will their pride stand in the way of their passion?
