**Von Ace Atkins : The Ranger (Quinn Colson)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ranger (Quinn Colson):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another ex military ...Von PZF85J... only now it's a US Army Ranger. That's something new, isn't it; although it could be considered being "war recycling". Therefore I wasn't too satisfied with the protagonist. However, the author made a good job when it came to describing the (still) "Old South", especially Mississippi. So, in order to learn more I will

shop for the second book in this series in the near future.

Kurzbeschreibung Northeast Mississippi is hill country, rugged and notorious for outlaws since the Civil War, where killings are as commonplace as they were in the Old West. To Quinn Colson, just back from a tour of Afghanistan, it's home. But home has changed. Quinn returns to a place overrun by corruption. His uncle, the county sheriff, is dead - officially it was suicide, but others whisper murder. In the days that follow, it will be up to Colson, now an Army Ranger, to discover the truth - not only about his uncle, but also about his family, friends, hometown and himself. But once the truth is uncovered, there is no turning back. Pressestimmen I have always been impressed with (jealous of) how easy Ace Atkins makes it look. The Ranger is by far his best work... I hope Quinn Colson and Lillie Virgil stick around for a good long time, (Michael Connelly) Atkins has written a bunch of great thrillers, but this one sets up a series that should push him to the top of the bestseller list. (John Sandford) Atkins can run rings around most of the names in the crime field. (Elmore Leonard) This exciting thriller leaves you looking forward to the ranger's return.
