Von Janwillem Van De Wetering : The Rattle-Rat (Grijpstra-de Gier Mysteries Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rattle-Rat (Grijpstra-de Gier Mysteries Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Weak, and coming from van de Wetering, sadVon rgf-brVan de Wetering had created a couple of human and clever detectives. In this novel, things go astray. Grijpstra is getting old and sour, De Gier is turning into a silly mysticist

(although van de Wetering loves and protects him). Some dialogues are completely unbelievable, the resolution of the murder comes out of the blue, and the drum and flute duets are gone. Only the commissaris retains part of his charm. I think I will re-read "Death of a hawker" and cry.0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautifully Offbeat Von puffinswan His style is unusual and deeply comical or perhaps comically deep. You have to read him for yourself to really understand. For me it was love at first book.

Kurzbeschreibung Douwe Scherjoen was a well-to-do livestock dealer from the remote Dutch province of Friesland. Then his corpse was found, half-charred by flames, floating in a dory in Amsterdam's harbor. No one knows why he was in the nation's capital, far from the bucolic pleasures of his native village of Dingjum. But since Grijpstra is Friesian by birth and can understand the dialect, he and his partner de Gier are dispatched to find the killer or at least the motive for the crime. And they discover that while no one, not even his wife, liked the victim, the culprit is the unlikeliest suspect of all. Kurzbeschreibung Douwe Scherjoen was a well-to-do livestock dealer from the remote Dutch province of Friesland. Then his corpse was found, half-charred by flames, floating in a dory in Amsterdam's harbor. No one knows why he was in the nation's capital, far from the bucolic pleasures of his native village of Dingjum. But since Grijpstra is Friesian by birth and can understand the dialect, he and his partner de Gier are dispatched to find the killer or at least the motive for the crime. And they discover that while no one, not even his wife, liked the victim, the culprit is the unlikeliest suspect of all. Synopsis Investigating a murder in his parents' remote homeland of Friesland, Detective Adjutant Grijpstra gets nowhere working within established police guidelines--yet his assistant de Gier uncovers vital clues while learning about Friesian culture.
