**Von Stephanie Laurens : The Reckless Bride (The Black Cobra Quartet)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Reckless Bride (The Black Cobra Quartet):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Black Cobra, Book FourVon Detra FitchSet in the year 1822. Jace Carstairs, late of His Majesty's Army in India, is one of

four with the mission of delivering a letter to England. The letter is the only evidence that names the mysterious leader of the Black Cobra cult. They left Bombay on the same day, all heading to England by different routes. All four are carrying identical scroll-holders, but only one contains the original letter - and that original letter must reach the Duke of Wolverstone. The four men did not reveal to anyone, even among themselves, as to who carries the original. Jace and Hassan, his companion, rescues Lady Esme Congreve when she is attacked in Buda. Esme is traveling the globe, accompanied by her great-niece, Miss Loretta Michelmarsh. Esme insists that there is no better way to elude the cult's assassins than by taking positions as their courier-guide and guard. The men cannot help but agree as Lady Congreve shoots down every argument they toss her way. For Jace, Loretta is even more dangerous than the assassins. She seems to know what is best for herself; therefore, she does not blindly follow his orders and he cannot force her to do so. Yet her determination to defy convention, as well as to think for herself, is but a couple of the things that attracts Jace. Their passion flares brightly, but before they can have a possible future together, they must unmask the Black Cobra. \*\*\*\*\* FIVE STARS! Here is the long awaited conclusion to the Black Cobra Quartet. Toward the novel's end, all four men (Captain Derek Delborough, Major Gareth Hamilton, Major Logan Monteith, and Captain Jace Carstairs) will come together for the villain's capture and unmasking. Mystery, suspense, danger, and delicious romance smoothly blend and I was left breathless. Highly recommended! \*\*\*\*\*Reviewed by Detra Fitch of Huntress Reviews.
