Kerstin Roush Sandra Hill is one of my favorite authors. I have read all her books and more than once. Love them all.

KurzbeschreibungThe fourth book in Sandra Hill's Cajun series serves up laugh-out-loud humor and sizzling romance in equal portions. The long, hot Louisiana summer just got hotter for Rene LeDeux. He returns home to southern Louisiana after quitting his job in Washington as an environmental lobbyist. Years of battling with the oil industry and land developers have left him completely burnt out, and now all he wants to do is work on his cabin on Bayou Black. But his peace of mind is disrupted by a few things. One, his great-aunt Tante Lulu is determined to get him hitched. Two, a couple of his activist friends have hatched a plot to bring national attention to their cause to save the bayou. They've kidnapped a TV celebrity and brought her to Rene's cabin. And three, the celebrity is none other than Valerie "Ice" Breux, Rene's nemesis while growing up. Now Val's stranded in Rene's remote cabin, besieged by irrepressible LeDeux relations, not to mention a dingbat duo out to save the swamp. It's bad enough being kidnapped, but did she have to land in the lap of the most irritating, sexiest hunk she's ever laid her eyes on? Val vows she'll give her heart to the Cajun bad boy when alligators fly. Rene swears to get the girl who got away. It's never been steamier in the bayou than with two people this red-hot with desire...and more than ready for love.
From BooklistAs Hill goes Cajun once again, as in *The Cajun Cowboy* [BKL Je 1 15 04], all Rene LeDeux wants is a little peace in the sanctuary of Louisiana's Bayou Black after his stint as an environmental lobbyist in Washington, D.C., losing battle after battle to big businesses and interest groups who couldn't care less about the planet. But instead he must fight an even bigger battle: his tree-hugging activist friends have kidnapped TV celebrity Valerie "Ice" Breaux and brought her to Bayou Black to get media attention for their cause. To make matters worse, Rene, a Cajun, and Valerie, a Creole, share an antagonistic past. Hill has put more of everything in this book--more hot sex, a more serious subtext (both Rene and Valerie were abused as children), and a lot more information on bayou ecology and the effects of a changing environment--adding up to a brimming romance for people who like to laugh, people who like to cry, and people who are concerned with the current status of the earth.
