Oriental sleuth cracks tough caseVon Ein KundeOriental sleuth Judge Dee, based on a historical character, is brought to life in 'The Red Pavilion'. While Judge Dee shares many traits with traditional quirky Western detectives, this novel has a

definite Chinese feel. The cultural interplay is very interesting, and allows for different scenarios than the typical mystery. A nice change of pace.

KurzbeschreibungA chance encounter with Autumn Moon, the most powerful courtesan on Paradise Island, leads Judge Dee to investigate three deaths. Although he finally teases the true story from a tangled history of passion and betrayal, Dee is saddened by the perversion, corruption, and waste of the world "of flowers and willows" that thrives on prostitution.
