War aber trotzdem Spannend zu lesen und ein muss in der Serie sonst kommt einer nicht ganz so mit0 von 1 Kunden fanden die folgende Rezension hilfreich. Don't bother!Von gabyI bought this book because I read very good comments and because I thought that it could somehow fill in the hole left by the Millennium trilogy. Big mistake, Jo Nesbo is not even close to Larsson's thrilling narrative.The first

chapter was quite promising, but later on the author gets lost telling different stories that after too many chapters just start to make sense. By then I was already bored and annoyed by the unnecessarily flowery vocabulary. After such a sacrifice, my very last hope was the end. I can concede that it was not predictable... but Jesus Christ I had never read such a boring end! Life is too short to waste it reading this book... just don't bother. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Handwerklich guter Krimmi - Harry Hole gut drauf Von FlorianMir haben die die Jo Nesbo Bücher sehr gut gefallen. Der Plot in der Harry Hole Reihe ist zwar immer ähnlich aber der Charakter "Harry Hole" ist wirklich gut. Habe im Urlaub gleich drei Bücher in Reihe gelesen, das war dann doch ein bisschen zu viel. Aber Handwerklich gut geschrieben und der Realismus der Plots ist auch gut

**Kurzbeschreibung** Jo Nesbos *The Snowman* is soon to be a major motion picture, starring Michael Fassbender, Rebecca Ferguson, and J.K. Simmons. An elegant and complex thriller. Harrowingly beautiful. *New York Times Book* A hugely impressive achievement ambitious in scope, and skilled in execution. *Los Angeles Times* *The Redbreast* certainly ranks with the best of current American crime fiction. *Washington Post* No disrespect meant to Henning Mankell and Stieg Larsson, but Jo Nesb, the *New York Times* bestselling author of *The Snowman*, is the most exciting Scandinavian thriller writer in the crime fiction business. *The Redbreast* is a fabulous introduction to Nesb's tough-as-nails series protagonist, Oslo police detective Harry Hole. A brilliant and epic novel, breathtaking in its scope and design winner of *The Glass Key* for best Nordic crime novel and selected as the best Norwegian crime novel ever written by members of Norway's book clubs *The Redbreast* is a chilling tale of murder and betrayal that ranges from the battlefields of World War Two to the streets of modern-day Oslo. Follow Hole as he races to stop a killer and disarm a ticking time-bomb from his nation's shadowy past. *Vogue* magazine says that nobody can delve into the dark, twisted mind of a murderer better than a Scandinavian thriller writer and nobody does it better than Jo Nesb! James Patterson fans should also take note. From *Publishers Weekly* Starred . Shifting effortlessly between the last days of WWII on the Eastern front and modern day Oslo, Norwegian Nesb (*The Devil's Star*) spins a complex tale of murder, revenge and betrayal. A recovering alcoholic recently reassigned to the Norwegian Security Service, Insp. Harry Hole begins tracking Sverre Olsen, a vicious neo-Nazi who escaped prosecution on a technicality. But what starts as a quest to put Olsen behind bars soon explodes into a race to prevent an assassination. As Hole struggles to stay one step ahead of Olsen and his gang of skinheads, Nesb takes the reader back to WWII, as Norwegians fighting for Hitler wage a losing battle on the Eastern front. When the two story lines finally collide, it's up to Hole to stop a man hell-bent on carrying out the deadly plan he hatched half a century ago in the trenches. Perfectly paced and painfully suspenseful, this crime novel illuminates not only Norway's alleged Nazi ties but also its present skinhead subculture. Readers will delight in Hole, a laconic hero as doggedly stubborn as Connelly's Harry Bosch, and yet with a prickly appeal all his own. (Dec.) (*New York Times Book* ) Certainly ranks with the best of current American crime fiction. (*Washington Post Book World*) Reading *THE REDBREAST* is like watching a hit movie. Author Jo Nesbos scenes are so vivid that you can imagine them playing across the big screen. The pacing is swift. The plot is precise and intricate. The characters are intriguing. (*USA Today*) Exciting, witty, melancholy and thought-provoking. (*Daily Telegraph (London)*) Paced to grip and twiddle with your insides, this is a fine thriller. (*Sunday Sport*) Original demands concentration but it's worth the effort. (*Literary* ) Shifting effortlessly between the last days of WWII on the Eastern front and modern day Oslo, Norwegian Nesb spins a complex tale of murder, revenge and betrayal. . . . Perfectly paced and painfully suspenseful. (*Publishers Weekly (starred review)*) [A] bold, ambitious thriller. (*Kirkus* s)
