**Von Jo Nesbo : The Redeemer: Harry Hole 6** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Redeemer: Harry Hole 6:

KundenrezensionenHilfreichste Kundenrezensionen6 von 6 Kunden fanden die folgende Rezension hilfreich. Who Is Your Redeemer?Von Donald MitchellFor I know that my Redeemer lives,And He shall stand at last on the earth;And after my skin is destroyed, this I know,That in my flesh I shall see God,--Job 19:25-26 (NKJV)For most people the attraction of this book will be to the challenges of being an unconventional, alcoholic police detective experienced by

Harry Hole. If you haven't read any of the books in the series before, Harry isn't a poster child for the good influences of serving in the police. He's more akin to Harry Bosch, someone who serves despite his demons. The Redeemer is that rare work of detective fiction that causes you to reconsider what you know from other perspectives. In this case, Jo Nesbo portrays virtually every kind of potential redeemer you can imagine in the course of this thought-provoking police procedural. The book also has gritty roots that will remind some series fans of the unforgettable war scenes in The Redbreast. There are also many story lines carried over from the earlier three books that have been translated into English (The Redbreast, Nemesis, and The Devil's Star). Although I certainly feel you can read this book as a standalone novel, I believe you will gain about a half-star's worth of benefit by having read the other three books first. To me, one of the most interesting aspects of the book was having it contain so many characters who are involved in the Salvation Army. You get looks into day-to-day life and ambitions that resonated well with what I've read in nonfiction accounts of serving in the Salvation Army. I was also drawn to the many moral choices that Harry Hole had to make during his investigation. I hope that more of these novels will become available in English. What a blessing that will be!

1 von 1 Kunden fanden die folgende Rezension hilfreich. Enttäuschung nach Band 1  
Von Dr. Uwe Kbkke  
Nachdem der Band 1 der Harry Hole-Reihe mich insgesamt berzeugt hatte, ist dieser Band eine Enttäuschung: Es gibt zu viele Handlungsstränge nebeneinander, deren Verknüpfung miteinander man während der Lektüre manchmal nur schwer nachvollziehen kann. Die Handlungsstränge lassen keine echte Spannung aufkommen. Auch die Charakterisierung der Hauptperson (Hole) ist weniger gelungen als im Band 1.  
4 von 5 Kunden fanden die folgende Rezension hilfreich. Durchschnittlich, aber notwendig  
Von The Stig  
Von den mittlerweile 4 Büchern um Oslo's Inspektor Harry Hole, ist dies immer noch leidlich gut lesbar, aber doch schon das Schwächste. Es plätschert vor sich hin und es will nicht so recht Spannung aufkommen. Man hat das Gefühl, man weiß nicht so recht wo es mit der Geschichte hingehen soll. Der diesmalige "Hauptwidersacher" ist eher eine Randfigur und spielt keine allzu wichtige Rolle. Insgesamt gesehen ist es ein wenig langweilig und wenig fesselnd, da den anderen Protagonisten (diesmal viele an der Zahl), nicht wirklich Tiefe verliehen wird und kaum Impulse im Verlauf der Geschichte geben. Der neue "interne" Widersacher in Gunnar Hagen (dem neuen Vorgesetzten für Harry Hole), der Bjarne Moeller's Platz einnimmt, verschwindet, nach vielversprechendem Start, ab Mitte des Buches ebenfalls in der Versenkung. Einzig einige kleine Details gleich zu Beginn und dann am Ende des Buches machen es notwendig, dasselbige zu lesen. Mit Ihnen wird der rote Faden, der sich durch alle Harry Hole Bände zieht, ein wenig weitergesponnen.

Kurzbeschreibung  
OVER 33 MILLION BOOKS SOLD WORLDWIDE  
This book had my pulse in the red zone from start to finish  
Michael Connelly  
It is a freezing December night and Christmas shoppers have gathered to listen to a carol concert. Then a shot rings out and one of the singers falls to the floor, dead. Detective Harry Hole and his team are called in to investigate but have little to work with there is no immediate suspect, no weapon and no motive. But when the assassin discovers he's shot the wrong man, Harry finds his troubles have only just begun. Nesbo is in a class of his own  
Evening Standard  
Terrific shocks, tension and atmosphere  
The Times  
Pressestimmen  
"The Redeemer rocks! Jo Nesbo is my new favorite thriller writer and Harry Hole my new hero. This book had my pulse in the red zone from start to finish."  
(Michael Connelly)  
"Nesbo's fourth novel [and it] proves to be as brilliant as his other three...grimly realistic...an engrossing mystery"  
(The Scotsman)  
Pressestimmen  
The Redeemer rocks! Jo Nesbo is my new favorite thriller writer and Harry Hole my new hero. This book had my pulse in the red zone from start to finish  
Interesting and exciting...Hole and his author provide unusually good reading  
Literary Jo Nesbo is no ordinary writer  
Sunday Telegraph  
publication of a new Nesbo is a cause for celebration...deserves to be considered as one of the very best crime novels of the year  
www.bookgeeks.co.uk  
Even when you're positive that the mystery is entirely done and dusted, it invariably turns out that the pragmatic Detective Harry Hole has managed to stay three steps ahead and there's more to uncover. Time Out  
The world is finally catching on to the dark delights of Scandinavian crime fiction, and Norwegian Jo Nesbo is up there at the head of the pack. This is chilling, spectacular stuff, and anyone looking for serious, and seriously compelling crime writing need look no further  
Nesbo's fourth novel [and it] proves to be as brilliant as his other three...grimly realistic...an engrossing mystery
