Fifth in seriesVon Helen HancoxThe previous books in this series have focused on one each of five immortal brothers who battle evil forces in a world in which demons, vampires and werewolves are recognised by the general population. The brother Tain has featured in several of these books as the brother who was captured by an evil demon and tortured for 700 years before finally being rescued.Tain is on the brink of madness, struggling to recover from the traumas he

faced, and in this latest book we follow his experiences as he connects again with the half-demon Samantha. Sam is a cop who had a part to play in the destruction of Tain's captor and who attracts Tain but he fears his madness and finds it hard to be around her. Sam is investigating some demon murders when she comes across Tain again. He's incredibly powerful and yet gentle with her. As Sam finds herself drawn into demon politics and relying on some unexpected allies she and Tain must work together to prevent more evil. This book is very akin to others in the series with the same strengths and weaknesses. Despite much navel gazing about Tain's past I never really felt I had a convincing insight into his character, and Sam's was sketchy too. The strong point of the story was the way that Sam learned about the demon world and her place in it with unfolding politics and possible new allies. The book was interesting but hardly broke new ground and felt perhaps a little unengaging. Von Magritte "Immortals: The redeeming" ist der fünfte Teil der Immortals Serie welche von Jennifer Ashley, Robin Popp und Joy Nash geschrieben wurden. Jede dieser Autorinnen schreibt ein anderes Buch, dessen Geschichten aber ineinander verstrickt sind. Vor tausenden von Jahren haben Götter verschiedener Kulturen Shne geboren um das Gleichgewicht zwischen schwarzer und weißer Magie zu erhalten: die 5 Unsterblichen. Tain wurde vor 700 Jahren von einem Dämon entführt und durch Sex und Schmerz in den Irrsinn getrieben. In den ersten 3,8 Teilen will er die Welt mit Hilfe der Dämonen zerstören um selbst sterben zu können, wird jedoch von seinen Brüdern, ihren Frauen und einer Halb Dämonen Samantha gerettet. Das war in den Teilen 1-4. Nun versucht er wieder Anschluss zu finden, sich nicht im Wohl des Irrsinn zu verlieren, nicht an Samantha zu denken, aber das alles ist nicht so leicht... Samantha ist Agentin bei der paranormalen Polizei, ihr Partner ein Werwolf, ihre Feinde, Menschen, Dämonen, Vampire etc... alle die gegen die Gesetze verstoßen und umgibt sich schnell mit mehr Gefahren als sie bewältigen kann. Tain eilt ihr zur Hilfe und stellt sich damit seinem eigenen Dämon, seiner Liebe zu ihr. Das Buch ist eine Liebesgeschichte auf actionreichen Hintergrund. Ein Muss für alle Fans der Serie. Es wäre schade die anderen Teile nicht vorher zu lesen, aber es geht irgendwie auch ohne. Etwas hat mir jedoch gefehlt, vielleicht mehr Auseinandersetzung der Charaktere mit ihren eigenen Dingen. Viel Spaß beim Lesen MBTM

Kurzbeschreibung For seven hundred years the Immortal warrior Tain was held captive and tortured by a powerful demon, and retreated into madness to escape his pain. Set free by his brothers, Tain has wandered the world, but has been drawn to Los Angeles, a city divided by demon lords and vampire masters, the death-magic creatures barely kept in line by strict rules and the paranormal police. Samantha Taylor, detective in the paranormal division, is committed to bringing down drug-selling demons and vampires who turn too many victims. Her stakeout of a demon club is blown by the appearance of a man with amazing power, who kills the attacking demons with one burst of magic. Samantha is shocked to see the man is Tain, the Immortal she helped rescue, whose healing touch burns her. Tain is back, and he needs Samantha's help. Young demon women are being murdered, and though Tain has no love for demons, he recognizes that they are innocents. He is also powerfully drawn to Samantha, a half demon, and fears his pull to her means he hasn't healed from his ordeal. Tain reveals to Samantha more about herself than she's comfortable knowing, but though she's falling for Tain, she knows she'll never allow herself to be tied to demonkind again. When the killer endangers them both, as well as people they love, Tain and Samantha must solve the case together and fight the growing, powerful attraction between them, a battle they are steadily losing. Welcome back to the world of the Immortals, where vamps, weres, demons, witches, and Immortals warriors exist in the real world, and the forces of life magic and death magic struggle for balance. The Redeeming is a full-length novel of 100,000 words, which can be read as a standalone.
