**Von Scott Adams : The Religion War** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Religion War:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Quite a thought experiment!Von DeutschamiAlthough I am not in agreement with all of his propositions, Scott Adams truly gives food for thought! It is a worthy read!1 von 2 Kunden fanden die folgende Rezension hilfreich. Ein Roman zum NachdenkenVon Gerhard PrennerEin paar Jahrzehnte in der Zukunft: der weiseste Mann auf Erden versucht den groen Krieg zwischen dem christlichen Westen und dem muslimischen Osten zu verhindern.Wer in der Schule Englisch gelernt hat und gelegentlich ein Wort im Wrterbuch nachschlgt wird keine Schwierigkeiten haben dieses Buch zu lesen. Es erwarten den Leser ca 3 Stunden kurzweiliger Lektre, die Ansto gibt fr viele Gedanken ber menschliches

Verhalten, Kultur, Religion, usw. Deshalb meine Empfehlung: zwei mal kaufen. Einmal selbst lesen, einmal einem guten Freund oder einer guten Freundin schenken und danach bei ein paar khlen Drinks entspannt einen Abend ber das Buch diskutieren.

Kurzbeschreibung In this frenetically paced sequel to Adams' best-selling "thought experiment," *God's Debris*, the smartest man in the world is on a mission to stop a cataclysmic war between Christian and Muslim forces and save civilization. The brilliantly crafted, thought-provoking fable raises questions about the nature of reality and just where our delusions are taking us. With publication of *The Religion War*, millions of long-time fans of Scott Adams' Dilbert cartoons and business bestsellers will have to admit that the literary world is a better place with Adams on the loose spreading new ideas and philosophical conundrums. Unlike *God's Debris*, which was principally a dialogue between its two main characters, *The Religion War* is set several decades in the future when the smartest man in the world steps between international leaders to prevent a catastrophic confrontation between Christianity and Islam. The parallels between where we are today and where we could be in the near future are clear. According to Adams, *The Religion War* targets "bright readers with short attention spans-everyone from lazy students to busy book clubs." But while the book may be a three-hour read, it's packed with concepts that will be discussed long after, including a list of "Questions to Ponder in the Shower" that reinforce the story's purpose of highlighting the most important-yet most ignored-questions in the world.
