Von Laurie Ellingham : The Reluctant Celebrity (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Reluctant Celebrity (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. It drags a little. Von i-tpfelchen Although the writing style is quite appealing and brings to life especially the minor characters,

the story tends to drag. Not much excitement there.

KurzbeschreibungSome people crave fame, others can't escape it. When property developer and loner, Jules Stewart, comes face-to-face with her former self grinning back from the front page of Britain's most popular tabloid, escape is not an option. With a new house determined to remain derelict, a nosy village determined to befriend her, and a gorgeous pub owner determined to undress her, life for Jules is difficult enough. But add a famous ex-boyfriend set to ruin her life (for the second time), a newspaper eager to expose her, and everyone she has ever known desperate for their fifteen minutes of fame... Can Jules protect herself from getting hurt again? Or will her perfectly built life crumble at the same rate as her house? Pressestimmen "Laurie's debut novel is fast-paced, fun and exciting...
