Von Tymber Dalton : The Reluctant Dom (Siren Publishing Menage and More) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Reluctant Dom (Siren Publishing Menage and More):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Decent BDSM story Von Johanna It's hard to explain how I feel about this book. I thought the plot idea was really interesting, having the dying and loving Dom husband find a replacement to keep his wife balanced, and as a matter of fact...

alive. The first half was a bit awkward. Seth comes into this already established D/s relationship, so there's no slowly getting to know each other. Leah and Kaden are his best friends, so it's quite a shock to learn about their lifestyle. Usually, books like that tell the story of the inexperienced sub, but here it is the inexperienced Dom. The story started without a warning or a slow introduction, the author just jumped right into it. I really had problems with this fast, unpretentious way of offering the storyline to the reader. As one might expect, the second half is really sad (I did actually shed a few tears) but in the end it was little bit too much for me. Everything was over-dramatic, over-emotional and full of kitsch. So, overall this was a decent story of a man coming into this lifestyle in order to satisfy the needs of a special woman and her dying husband. I can at least half-heartedly recommend it to fans of the genre.

Kurzbeschreibung (Suncoast Society series book #4) [Menage and More: Erotic Consensual BDSM Menage a Trois Romance, M/F/M, public exhibition, spanking, flogging, whipping, sex toys, HEA for M/F] Love hurts...if you're lucky. Kaden's dying, but before he goes he has one problem to solve—he must ask his oldest and dearest friend, Seth, to take over as Dom and Master to his beloved wife, Leah. Seth has always seen himself as the perpetual screwup and Kaden as the strong and steady one, so his friend's request rocks his world. He also knows there's no way he can refuse Kaden this. Now Seth finds himself immersed in a role he's far from comfortable with—inflicting physical pain to provide emotional comfort to the woman he's secretly loved for years. Can he deal with his crushing grief over the impending loss of his oldest friend and still learn the skills he must master in time to become The Reluctant Dom?
