Protagonisten, mit denen mitgelitten werden kann. Ein Punkt Abzug für die "Krze"; ich hätte gerne mehr gelesen.... ;-)

Kurzbeschreibung  
What She Needs . . . Texas in the 1880s is a wild and lawless land, where a woman fending for herself is a rare breed. Andrea Jackson is just that. A woman who went against the grain by writing bestselling novels instead of marrying and staying at home. But with her muse, and her money dried up, she's in desperate need of a hero. And Sheriff Matthew Knight has just the right material. Only He Can Give . . . Matthew doesn't know what to make of the sassy, bright-eyed, temptress who insists on following him around. He's nobody's hero, and he doesn't believe in fairy tales. What he is, is a man. With a man's needs. And there's something about the feisty, determined, vixen, he just can't seem to shake . . .
