Von Dave Duncan : The Reluctant Swordsman: The Seventh Sword Book 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Reluctant Swordsman: The Seventh Sword Book 1:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A great story in the classic "reality switch" vein.Von Ein KundeThis was the first work I ever read by the author, and it inspired me to go on to read others (i.e. his series which begins with "Magic Casement"). It is that type of story where the main character is pulled from mundane, dreary old Earth to another planet/time/dimension by strange -and usually

irreversible- means. While it was written in a time where readers could not look at a bookstores' shelves without seeing another of the type, its extremely unique culture and its citizens -sorry, not an elf in sight- was quite refreshing. Add to this a superlative plot and interesting characters, and you have a winner.0 von 0 Kunden fanden die folgende Rezension hilfreich. Dave Duncan writes great characters.Von Ein KundeThis story is definitely not set in a mythical Northern Europe, like so many fantasy novels. It has Oriental, samurai-ish overtones, and is informed by the interaction of religion, science, magic, technology and power. It is also a great story. But Dave Duncan's real genius is in writing wonderful characters - the thoughtful Wallie Smith, ex-chemical engineer and now swordsman with a mysterious past, his proteges Nnanji and Katanji and the gentle and courageous Jja. In fact, Mr. Duncan simply doesn't write throwaway characters - every person you meet has depth and originality.0 von 0 Kunden fanden die folgende Rezension hilfreich. Brilliant a top fantasy book ranks up their with the bestVon Ein KundeIt had everything you want in a fantasy book.Action,adventure,suspense this book is a must for fantasy lovers

KurzbeschreibungWallie Smith can feel the pain. He goes to the hospital, remembers the doctors and the commotion, but when he wakes up it all seems like a dream. However, if that was a dream how do you explain waking up in another body and in another world? Little Wallie finds himself in the physique of a barbarian swordsman, accompanied by both an eccentric priest babbling about the Goddess and a voluptuous slave girl. Is this a rude awakening or a dream come true? What in the world will Wallie do now that he's found himself stranded in a strange realm? Well it just so happens that the Goddess is in need of a swordsman. It won't be easy but if he succeeds he will have everything he wants. If he doesn't, things could get ugly. Wallie is reluctant but sees his chance. If only he had the faintest clue as to the adventure he is about to unleash! If only he could imagine the forces that will be out to vanquish him!KurzbeschreibungWallie Smith can feel the pain.
