KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Awesome!Von DraconiaI simply LOVE these books. I went through all four of them in just three days. they're such an

exciting read i just couldn't stop! It's not your typical more-or-less boring end-of-the world scenario because the characters are, while still being lovable, simply not perfect. The story has enough turns to keep you reading until your drop and at the same time Mr. Molles didn't deem it necessary to kill all his main characters (so far). -Which i do appreciate!In this book the pace increases when all fronts fight with different problems and not everybody will come out of the fight alive.
