Von Genell Dellin : The Renegades: Cole before purchasing it in order to gage whether or not it would be worth my time, and all praised The Renegades: Cole:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. great first book forecasting a treat for romance readersVon Ein KundeAll he wanted this morning in Pueblo City, Colorado

was a cup of coffee. Instead a fifteen-year-old wannabe, Kid Dolby, challenged him to a gunfight. When you have Cole McCord's reputation with a gun you can expect idiots to come out of the woodwork. Just before the gunfight is to begin, a woman driving a buggy speeds into the center of the action. Cole rescues her as the Kid blasts at anything in sight before being arrested. The surprisingly calm woman Aurora Benton offers Cole the job of being her bodyguard on a cattle drive to the Texas Panhandle. She explains that the pillar of society Lloyd Gates plans to first take the cattle away from her and then take her ranch next. Initially, Cole rejects her offer of employment, but to avoid another senseless killing of the young teenager, he agrees. On the trail, he finds himself faced with the usual perilous dangers from gunslingers, outlaws, and more sophisticated criminals, but it is the threat that Aurora poses to his heart that frightens Cole the most. She too is not immune from falling in love. Already deservedly renowned for her tender Native American romances, Genell Dellin may have scribed her best novel to date with the exciting THE RENEGADES: COLE. The western romance is non-stop action as readers will feel they are along for more than just the ride; the audience will believe they are part of the cattle drive. The lead characters are amiable and bright and the supporting ensemble enhances the story line with color. The first novel in Ms. Dellin's "Renegade" trilogy is so good, sub-genre fans will demand Avon release book II early. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. Witty dialogs Von Ein Kunde Mrs. Giggles, as usual, is quite right. But the witty dialogs gives this novel its special touch which is an agreeable surprise compared to the more serious "tone" of other books by G. Dellin. I do wonder how it was possible for Aurora to claim her valley legally. Just ride up and stake your claim seems too simple. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not too bad really. Von Ein Kunde This book starts out fun and rocky like those 60s cowboy movies, until it degenerates into the same old yarn of cowboy unwilling to commit into relationships, same old cattle drive stories, etc. Nothing new here. Readable but not particularly memorable either.

Kurzbeschreibung The Renegade Cole McCord, the most dangerous man in Colorado, is a hired gun with a hardened heart. No man will ever claim his loyalty again . . . and no woman will ever win his love. So when he accepts headstrong Aurora Benton's offer to be her bodyguard on a treacherous cattle drive he tells her it's strictly business, but finds himself drawn against his will to this all-to-desirable temptress. The Woman Eastern born and bred, Aurora has never met anyone like the half-Chickasaw she's just hired. He's nothing like the lackluster Milquetoasts who've offered for her hand, and he awakens in her unbidden desires. Determined to make it to Texas to start a new life, Aurora knew from the start that she'd have to face drought, outlaws and a long, hard trail . . . but she never expected to face her passion for the one man she can never have.
