Von Genell Dellin : The Renegades: Nick before purchasing it in order to gage whether or not it would be worth my

time, and all praised The Renegades: Nick:

KurzbeschreibungThe WomanFor the sake of her unborn child, Callie Sloane is willing to endure the hardships of this wild Western landbut not her attraction to an untamed half-Cherokee renegade. She lost everything to love once before, and she's not making that mistake twice. While outlaw Nick Smith may be the most handsome man she's ever seen, he's also the most dangerous.The RenegadeNick watches in shock as a determined woman rides out of the dust clouds to plant her flag on his ancestral lands in the Great Oklahoma Land Run. The hardened loner vows not to help this stubborn female survive, but finds himself drawn time and again to protect her. And soon Nick has to protect himself from his own desire . . . for the innocent enchantress tempts him beyond anything he's ever known.KurzbeschreibungThe WomanFor the sake of her unborn child, Callie Sloane is willing to endure the hardships of this wild Western landbut not her attraction to an untamed half-Cherokee renegade.
