Von Bobby Cole : The Rented Mule before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rented Mule:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
Spannende Lektre von der ersten bis zur letzten SeiteVon Ellen WeiAbsolut lesenswertes Buch! Die Charaktere sind
berwiegend sehr berzeugend gezeichnet, die Handlung durchgngig spannend und logisch. Und was mich am meisten
berrascht hat: obwohl die Planung der Kriminaltat vom ersten Moment an so detailliert beschrieben wird, dass man als
Auenstehender den Ttern regelrecht ber die Schulter schauen kann, bleibt der Auftraggeber doch bis zum Schluss im

Dunkeln und gibt dem Ende noch einen überraschenden Twist. Es dauert zwar wirklich bis ca. zur Hälfte des Buches, bis die Tat wirklich ausgeführt wird, allerdings ist der erste Abschnitt so spannend und berzeugend geschrieben, dass ich immer weiterlesen musste. "The rented Mule" ist mehr als ein schlichter Krimi, es zeichnet gleichzeitig auch ein recht tiefgehendes Psychogramm eines Ehepaares, das sich auseinandergelebt hat und nun unschuldig unter ungeheuren Druck gerät. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Highly entertaining and adrenalinic Von Charlie+Jimmy a big plot and intriguing protagonists - you cannot stop reading and you see everything like a movie inside your head - I want to read more of it

Kurzbeschreibung Cooper Dixon should have it made, with a beautiful wife, Kelly, two great kids, and a thriving business, the Tower Agency. But for Cooper, things aren't turning out how he expected. He and Kelly are caught in a never-ending cycle of arguments Cooper can't remember the last time they had sex. And Cooper's troubled business partner, Gates Ballenger, is scheming to sell the Tower Agency out from under him. When a gang of criminals is hired by a mysterious client to kidnap Kelly and set up Cooper to take the fall, Cooper's life goes completely off the rails. The cops quickly zero in on Cooper as the prime suspect, and the combination of an attractive suburban mother, workaholic husband, and a million-dollar insurance policy makes the case primetime television fodder. Soon, Cooper's face is plastered on every TV screen in the country. Cooper races against time to find his wife before the gang turns her over to their client, whose plan to take down Cooper is far more sinister than anyone could imagine.
