The Replacement by Rachael WadeVon Lily M."The Replacement by Rachael Wade is a stand alone drama about a young woman, Elise Duchamp, known as the town whore with the quest to find purpose, self-worth and love in a broken world.Its a love story about a woman who is struggling to find herself, seeing her worth and fearing her true feelings.Elise is beautiful and self-destructive. The only time she feels anything is during sex. She knows what she is,

what she wants and doesn't even care what people think about her. Sleeping with married and/or committed men without making a single excuse, she considers herself a "replacement". The other woman made a reputation as such, but things start to change when she meets the sexy, tattooed sweet Ryder. Ryder is not like any man that Elise has been with. He shows her who she really is, her real value and that she is something. He makes her feel things and want things. We see Elise trying to push Ryder away, but he is a challenging man and doesn't give up fighting for her. Very well written, interesting loveable characters...a very enjoyable read. I highly recommend this!

Kurzbeschreibung NOW AVAILABLE IN AUDIOBOOK! The Replacement Series: The Replacement (Book 1) The Prisoner - A Christian Walker Novella (1.5) A moving story of a woman discovering her self-worth. Jodi Ellen Malpas, #1 New York Times Bestselling Author of THIS MAN "This was a unique story with a truly beautiful underlying message. It's about loving without conditions, but even more so, learning to love yourself." - Ana's Attic Book Blog "One of the boldest, bravest contemporary novels I've read in a long time." - The Demon Librarian Book Blog Brilliant and captivating. Rumples Book Blog "The Replacement was about forgiveness, atonement, acceptance and unconditional love. I would whole heartedly recommend it. The Hopeless Romantics Book Blog This book made my stomach ache and the tears roll. Amazing and worthy of 5+ STARS! My E-Literate Obsession Book Blog *Contains sexually explicit content and mature subject matter, including language and elements of abuse.* A gritty New Adult drama about a young woman's self-destructive quest to find purpose, self-worth, and love in a broken world. My name is Elise Duchamp. I'm twenty-three years old and I'm known as the town whore. No, not the kind who exchanges sexual favors for money. The other kind. The kind who gives it all away for free, whenever and however she likes. I am that girl. The one everyone whispers about and the one none of the girls seem to like, because all of their boyfriends either want to sleep with me or already have. Promiscuity is my thing the kind that slowly, violently turns my insides black, but gives me something I need. All things considered, I'm not completely reckless. I'm safe, and contrary to popular opinion, I do have a heart. I live in a world of careless choices, and with those choices come careless people. I cannot judge them, because I am one of them. I too bow down to the altar of the self-serving. I am not a good friend. I am not and never could be anyone's girlfriend. I'm convinced any goodness in me shriveled up and died long ago. But I am a replacement. That is something I know how to be, and this is a story of the lengths I'd go to in order to keep it that way.
