whether or not it would be worth my time, and all praised *The Republic of Thieves* (Gentleman Bastards, Book 3):

Kurzbeschreibung  
NEW YORK TIMES BESTSELLER  
A bright new voice in the fantasy genre (George R. R. Martin), acclaimed author Scott Lynch continues to astound and entertain with his thrillingly inventive, wickedly funny, suspense-filled adventures featuring con artist extraordinaire Locke Lamora. And *The Republic of Thieves* is his most captivating novel yet. With what should have been the greatest heist of their career gone spectacularly sour, Locke and his trusted partner, Jean, have barely escaped with their lives. Or at least Jean has. But Locke is slowly succumbing to a deadly poison that no alchemist or physiker can cure. Yet just as the end is near, a mysterious Bondsmage offers Locke an opportunity that will either save him or finish him off once and for all. Magi political elections are imminent, and the factions are in need of a pawn. If Locke agrees to play the role, sorcery will be used to purge the venom from his body though the process will be so excruciating he may well wish for death. Locke is opposed, but two factors cause his will to crumble: Jeans imploring and the Bondsmages mention of a woman from Lockes past: Sabetha. She is the love of his life, his equal in skill and wit, and now, his greatest rival. Locke was smitten with Sabetha from his first glimpse of her as a young fellow orphan and thief-in-training. But after a tumultuous courtship, Sabetha broke away. Now they will reunite in yet another clash of wills. For faced with his one and only match in both love and trickery, Locke must choose whether to fight Sabetha or to woo her. It is a decision on which both their lives may depend.

Wired A fantasy world unique among its peers . . . If youre looking for a great new fantasy series this is one you wont want to miss. . . . In a word: AWESOME! SF Revu Red Seas Under Red Skies Lynch hasnt merely imagined a far-off world, hes created it, put it all down on paper the smells, the sounds, the people, the feel of the place. The novel is a virtuoso performance, and sf/fantasy fans will gobble it up. Booklist (starred review) Red Seas Under Red Skies firmly proves that Scott Lynch isnt a one-hit wonder. . . . Itll only be a matter of time before Scott Lynch is mentioned in the same breath as George R. R. Martin and Steven Erikson. Fantasy Book Critic Grand, grandiose, grandiloquent . . . No critic is likely to fault Lynch in his overflowing qualities of inventiveness, audacious draftsmanship, and sympathetic characterization. Locus The Lies of Locke Lamora Right now, in the full flush of a second reading, I think *The Lies of Locke Lamora* is probably in my top ten favorite books ever. Maybe my top five. If you havent read it, you should. If you have read it, you should probably read it again. Patrick Rothfuss, New York Times bestselling author of *The Name of the Wind* From the Hardcover edition.
