**Von Anne Stuart : The Right Man (Gowns of White)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Right Man (Gowns of White):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Incredible...There's Nothing Else I can sayVon Ein KundeHarlequin's promo department goes into overdrive on the cover of this book, proclaiming just how incredible and one-of-a-kind Anne Stuart is. After reading "The Right Man," I can't disagree with them one bit. The heroine, Susan Abbott, is just days away from getting married to a solid, dependable, passion-less guy, when an old family friend sends her a wedding dress--care of a sexy stranger named Jake. Before long, Susan is all-too-tempted by the stranger, who is everything her fiance is not. But just when you think the story will be about Jake wooing Susan, the novel spins off in an entirely different--and wonderful--new direction.This story probably won't do much for those who like solid, dependable stories where the couple fights for a

while, circles around each other warily, gradually falls for each other, then decides to let each other know it at the end (I've read reviews saying that much). And they're right. This isn't the kind of book where people spend 250 slow pages falling in love. This is one of those hugely romantic, love-at-first-sight, throw caution to the winds and go for it kind of books. Frankly, I was getting kind of bored of Susan and her mother having endless conversations in the beginning. But once the middle section took over I was completely won over. The book is wonderfully romantic, with hissable bad guys and a heroine who makes you want to cheer when she stands up to them. I loved every minute of it. Those who like a different kind of romance will love it, anyone who thinks some of Ms. Stuart's single titles are too dark will find this much more to their liking...and for those who like those predictable romance tales, give this one a chance anyway. It really is one of the most sheerly romantic, fun, and exciting books of the year.0 von 0 Kunden fanden die folgende Rezension hilfreich. An unusual time-travel romance with two storylinesVon Ein KundeThe only real problem with this book, is that it's too short! I really wanted to continue reading about both couples in this wonderful romance.

KurzbeschreibungGowns of WhiteNo man can resist a woman in white.Five days before Susan Abbott's wedding and she hadn't a thing to wear. That is until the too-darn-sexy and enigmatic Jake hand-delivered an heirloom wedding gownand changed her prim-and-proper, well-planned life forever.... Now Susan had to come to terms with the fact that true love was anything but temperate and tidyespecially with a man as raw and right as Jake.KurzbeschreibungGowns of WhiteNo man can resist a woman in white.Five days before Susan Abbott's wedding and she hadn't a thing to wear.
