WonderfulVon Simona Elena*Book provided by author in exchange for an honest review*I was so happy when Jane asked me to review her book, because the blurb sounded great, thanks lovely xxShea is a lovely character, who has been dealing with a lot in her past. When she gets to Edgerton Manor we dont see what she was dealing with, she is

different and doesn't want her past revealed. Brando, the male lead in this book is the typical playboy, so definitely no guy to marry and have a family with. When they both meet you hear and see the sparks flying instantly, the attraction between them is undeniable and I was only waiting for something to happen between them. It took a while, but the scenes in between were full of flirting, teasing and fun. Jane's writing is really passionate and she understands how to create an atmosphere, especially in the various romantic scenes of this novel. Passionate through and through. Every single scene was different and still so gripping. Shea is discovering the right side of Brando and it was great to read about their feelings and realising what they want. At first only attraction and lust seem to lead them to their actions, but then I loved how this developed and all these scenes were described in such a real and vivid way. It turns out that both of them have a difficult past and Brando trusts Shea and tells her. It takes her longer to do that, but it made me understand her character better. It got a bit complicated towards the end and I was a little annoyed with both characters, because I didn't like the decisions they made. I adored the ending, so sweet and full of love. This wonderful novel shows that every one can change their opinions and emotions towards something. When the right person is there you just have to go for it. Jane is such a talented writer, need more

Kurzbeschreibung~One-off, moving on sex, wasn't meant to be this hot When determined singleton Shea Summers is persuaded to become the wife of the Lord of Edgerton Manor, the last thing she wants to do is play house with a stranger. Brooding playboy Brando Marshall is far from happy when Shea turns up at his sprawling estate with production crew in tow. Surely she's just another woman after his wallet? And if she's looking for Mr Right, she's definitely hitting on the wrong guy. Then again, after catching an unscheduled glimpse of her knickers, perhaps Brando needs to teach this gold-digger a lesson! She's seizing the moment, he's breaking the rules, and when bad boys can be so much fun, who can resist getting on the right side of Mr. Wrong. *Pressestimmen* Praise for How to Win a Guy in 10 Dates, nominated for Best Romantic eBook at the Festival of Romance 2013: 'A hot as hell, sexy and exciting story!' - After The Final Chapters 'This was such a fun romance, with a hint of heartache, and a little adventure mixed in.' - A Tasty Read 'Loved this book. The main characters are vividly drawn...the sex scenes are hot, and the writing is fast and feisty.' - Contemporary Romance s "For those that like Sophie Kinsella style books, this is a cute story about a guy determined to prove he won't fall for a woman..." - CocktailsandBooks.com Kurzbeschreibung~One-off, moving on sex, wasn't meant to be this hot When determined singleton Shea Summers is persuaded to become the wife of the Lord of Edgerton Manor, the last thing she wants to do is play house with a stranger.
