Von Danielle Steel : The Ring before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ring:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A Story You Will Never, Never be Able to ForgetVon Marco AurelioAfter I read this book, I was able to understand all

Danielle Steel's magnitude. The plot of this book is so huge and so powerful that you just can't help but fall in love with this book. With *THE RING*, for the first time I felt portraited to World War II, I felt like I was there, suffering, trying to survive and be happy. The plot deals with a family saga. During three generations, you see how many things can happen to a family that struggle to survive even passing for so many tragedies. *THE RING* is the kind of book you'll never forget. The third and last part lacks a bit, being not so good as the two before, but you almost does not perceive it, so great and wonderful is this unforgettable story that makes all your feeling come up. Read it and see exactly why. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A good lesson that life isn't fair. Von Ein Kunde This is by far my favorite Danielle Steel book I've read. I liked the plot and characters, and the style in which it was written seemed very real. Being German myself, I was impressed how Mrs. Steel brought out the fact that during WWII, not all Germans were Nazis. Many were innocent victims as well, like Ariana and her family. But all books have a flaw, and I was a little annoyed that Ariana was always hasty to love and marry. All in all though, this novel really tugs at your heart. Beautiful job, Mrs. Steel. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Ring Von Angela Scott When I saw the movie based on this book, I had to go and buy the book. Danielle Steel does an amazing job of bringing the characters to life, and drawing the reader into the story. From the first sentence, I was hooked. Ariana von Tripp is an amazing woman who finds love on more than one occasion. The reader will cry at Ariana's many heartbreaks, and will feel joy when she finds happiness. This is one of the best books Steel has written...ever. Everyone MUST read this book. You will be a Danielle Steel fan for life!

Kurzbeschreibung In Germany engulfed by war and hatred, the beautiful wife of an influential banker fell in love with a German author. His Jewish heritage led them both to death. The husband who survives her lives on to protect her memory, and their children. And then he passes on to his daughter, Ariana von Gotthard, remains a bond of love between them. Separated from her family, and unable to escape Germany, Ariana is finally arrested. A young Nazi officer offers her survival and hope for the future. Tragedy and a sudden twist of fate carries Ariana to America, to a chilling deception, and a new life of unfamiliar terrors. Her past seemingly lost forever, her future uncertain, the ring she still clings to is all she has left of her father and brother. And in time it will become the bridge from her past to her future. From the Paperback edition.. de An ill-fated affair between Cassandra von Gotthard, a married German socialite, and her lover, a Jewish writer, at the beginning of Hitler's ethnic cleansing campaign results in tragedy for Cassandra's children, especially her beautiful daughter Ariana. When her father and brother disappear, Ariana is arrested by the Reich. Facing imprisonment and repeated rape at the hands of unscrupulous soldiers who desire to humble the lovely blond, Ariana jumps at the opportunity to become a cook for a kind Nazi officer. Gradually, the two are able to put the specter of war behind them and fall in love. But calamity strikes again, leaving Ariana alone once more and running for her life. Desperately sick and pregnant, Ariana lands in New York, part of the wave of refugees brought there by relief organizations. Sponsored, then befriended, then betrayed, by the Liebman family, Ariana slowly recovers in time for the Christmas birth of her son. And Noel, a kind man who loves Ariana, gives her the strength to make a life for herself and for him, which she does, finally finding true happiness. Danielle Steel creates a tale of the phases of life and love that we all experience against a brutal background that hopefully will not be experienced ever again. --Alison Trinkle.com An ill-fated affair between Cassandra von Gotthard, a married German socialite, and her lover, a Jewish writer, at the beginning of Hitler's ethnic cleansing campaign results in tragedy for Cassandra's children, especially her beautiful daughter Ariana.
