**Von Chelsea M. Campbell : The Rise of Renegade X (Renegade X, Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rise of Renegade X (Renegade X, Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooWelcome to Golden City, where superheroes and supervillains mingle with

ordinary citizens. We meet the main character, Damien Locke, on the eve of his 16th birthday - the day his "V" is supposed to appear in his thumbprint. The day his fate is officially sealed. The day he becomes a REAL supervillain. His "V" will ensure his admission to Vilmore, the university for aspiring villains. So, standing in front of a crowd of people as the clock strikes midnight, Damien watches as his thumbprint shifts...into...an...X. The "X" has only been a rumor - until now. The shock of the "X" is bad enough to send Damien into a tailspin, but the cause of it is downright devastating. The "X" means he has superhero in him. He's never known his father, but always assumed he was another supervillain like his mother - but he was wrong. His fears are confirmed when he confronts his mother and she reveals she had a one-night stand with a superhero in the middle of a particularly heated battle. Damien is thrust into a world he doesn't want anything to do with when his mother sends him to spend six weeks with his father and his superhero family. He attempts to maintain his supervillain persona in the midst of the enemy, and is forced to make his own decisions about right and wrong. Damien Locke is a delightful character. His snarky personality fills the book with humor and causes the reader to fall in love with him. Even though Chelsea M. Campbell set THE RISE OF RENEGADE X in a fantasy world filled with superheroes and supervillains, Damien still deals with typical teenage problems. He has to deal with a rotten friend, a cheating girlfriend, and major parent issues. THE RISE OF RENEGADE X is a fun story. The reader will love getting lost in Damien's world. I know I can't wait for the sequel. Reviewed by: Karin Librarian0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun reading Von Fantasy/SF-Fan Fast paced and funny reading. Nice ploy and some good turnarounds, can't wait for the next in these series. Good potential for more.

Kurzbeschreibung Sixteen-year-old Damien Locke has a plan: major in messing with people at the local supervillain university and become a professional evil genius, just like his supervillain mom. But when he discovers the shameful secret she's been hiding all these years, that the one-night stand that spawned him was actually with a superhero, everything gets messed up. His father's too moral for his own good, so when he finds out Damien exists, he actually wants him to come live with him and his goody-goody superhero family. Damien gets shipped off to stay with them in their suburban hellhole, and he has only six weeks to prove he's not a hero in any way, or else he's stuck living with them for the rest of his life, or until he turns eighteen, whichever comes first. To get out of this mess, Damien has to survive his dad's "flying lessons" that involve throwing him off the tallest building in the city--despite his nearly debilitating fear of heights--thwarting the eccentric teen scientist who insists she's his sidekick, and keeping his supervillain girlfriend from finding out the truth. But when Damien uncovers a dastardly plot to turn all the superheroes into mindless zombie slaves, a plan hatched by his own mom, he discovers he cares about his new family more than he thought. Now he has to choose: go back to his life of villainy and let his family become zombies, or stand up to his mom and become a real hero.

ber den Autor und weitere Mitwirkende Chelsea Campbell grew up in the Pacific Northwest, where it rains a lot. And then rains some more. She finished her first novel when she was twelve, sent it out, and promptly got rejected. Since then she's written many more novels, earned a degree in Latin and Ancient Greek, become an obsessive knitter and fiber artist, and started a collection of glass grapes. As a kid, Chelsea read lots of adult books, but now that she's an adult herself (at least according to her driver's license), she loves books for kids and teens. Besides writing, studying ancient languages, and collecting useless objects, Chelsea is a pop culture fangirl at heart and can often be found rewatching episodes of Buffy the Vampire Slayer, Parks and Recreation, or spending way too much time on Twitter and Facebook.
