**Von Brandon Sanderson : The Rithmatist (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rithmatist (English Edition):

**Kurzbeschreibung**This is a fast-paced adventure for readers of all ages by bestselling author Brandon Sanderson, master of fantasy fiction. Here, in a school for the magically gifted, your talent could cost you your life... Young student Joel is fascinated by the magic of Rithmatics, but few have the gift and he is not one of them. Undaunted, Joel persuades Professor Fitch to teach him about this geometric magic. For although Joel can't infuse his protective lines and circles with power, or bring his chalk-drawn creatures to life, he can really understand how it works. However, a daunting test lies ahead, when someone starts kidnapping top Rithmatic students at his school, Armedius Academy. Since he's not a magic user, Joel appears to be safe and he's desperate to investigate and prove himself. Then people start dying - but can Joel really stop a killer alone? He'll need the help of Rithmatist apprentice Melody, as even more students disappear. Together, they must race to find clues before the killer notices them - and takes them out too. The Rithmatist is a New York Times bestseller and will be enjoyed by adult and young adult readers alike. The book features illustrations by Ben McSweeney, which depict the magical elements of the novel with great elegance and insight. **Pressestimmen**I recommend The Rithmatist to fans of Brandon Sanderson, as it contains the wonderful qualities that he is known for as a fantasy author. I also recommend it to everybody else. Whether you love or hate epic fantasy, this book is something different. It's an easy read, absorbing, and has the kind of twists and turns that will leave you clamouring for more. I firmly believe that this can be considered Harry Potter for the next generation. I love it that much. **ONCE UPON A TIME 20130808****Werbetext**Someone is murdering the powerful Rithmatist magicians and Joel may be the only one who can stop the killer...
