**Von David Drake : The Road of Danger (Lt. Leary Book 9) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Road of Danger (Lt. Leary Book 9) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. schade!Von Ammianusetwas lieblos aus versatzstuecken aelterer romane geschrieben.da hat drake schon besseres

produziert. im moment interessieren ihn wohl eher seine anderen reihen. die sollte man lesen.

Kurzbeschreibung Captain Daniel Leary with his friend and spy Officer Adele Mundy are sent to a quiet sector to carry out an easy task: helping the local admiral put down a coup before it takes place. But then the jealous admiral gets rid of them by sending them off on a wild goose chase to a sector where commerce is king and business is carried out by extortion and gunfights. With anarchy and rebellion in the air, a rogue intelligence officer plots the war that will destroy civilization and enlists the help of a brute whom even torturers couldn't stomach. And, of course, it's up to Leary and Mundy to put a stop to the madness. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Vietnam veteran, former lawyer, former bus driver, and now bestselling author, David Drake tells a military story like no other. His readers recognize that he can take them where no one else can, with gut-wrenching description that puts them face-to-face with the enemy, and in the midst of the action right on the battlefield. He helped create the audience for mercenary military science fiction with his best-selling "Hammer's Slammers" books. Drake graduated Phi Beta Kappa from the University of Iowa, majoring in history (with honors) and Latin. His stint at Duke University Law School was interrupted for two years by the U.S. Army, where he served as an enlisted interrogator with the 11th Armored Cavalry in Vietnam and Cambodia. Drake has a wife, a son, and various pets.
