Ein MUSS fr alle Fans der Arthus-LegendeVon Ein KundeDas Buch sollte man gelesen haben, zumindest wenn man sich fr den vielgesichtigen Sagenkreis um Koenig Arthus interessiert, oder einfach eine schoene Liebesgeschichte sucht. Wer "Die Nebel von Avalon" verschlungen hat, wird auch dieses Buch mgen, obwohl die

Verwandschaftsverhaeltnisse hier wiedereinmal anders dargestellt sind (der Interessierte kennt das ja). Das Buch besticht dadurch, dass es in seiner Darstellung gaenzlich ohne Magie auskommt. Eine behrende mitreissende Liebesgeschichte zwischen Arthur und der (gar nicht boesen) Morgane. So real, da man das Buch nicht mehr weglegen kann, da Joan Wolf es meisterhaft versteht, den Leser voellig in ihren Bann zu ziehen! Fuer Deutsche mit einigermaßen guten Englishkenntnissen leicht verstaendlich. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Three nice ladies -) Von Cornelia Maier I liked it very much that Guinevere, Morgan and Morgause were all described as very nice and kind ladies. Arthur was cool, too and even Mordred was rather nice, not like in other books!

Kurzbeschreibung The pageantry and passionate intrigues of King Arthurs court are expertly re-created in this historical novel the only Arthurian novel in which all of the central characters are portrayed as intrinsically good people. This realistic retelling of the legend shows Arthur severing the bonds of bastardy, vanquishing the Saxons, and loving one woman. As the daring teenage warrior prepares for the throne, he discovers true love with Morgan of Avalon, the youngest of Merlins daughters, but fate cruelly thwarts their hopes for a future together. Never before has a telling of the Arthur story made the breathtaking drama of this charismatic king more real or moving.
