**Von Joely Sue Burkhart : The Road to Shanhasson (Blood and Shadows Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Road to Shanhasson (Blood and Shadows Book 3) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. One of the best fantasy romances I ever read Von Susi Sunshine I already read this book twice and it really deserves a full length review. I don't know why but it seems I can't bring my thoughts onto the screen after the first read of Joely's books or perhaps it's just an excuse to read them again. I won't tell. The first thing I have to say is that I completely adore this cover. It's gorgeous and it really reflects the book. It always distracts me and I can't wait to get a print copy

in my hand. Joely already knows that because I'm stalking her with my inquiries about the print release. The Road to Shanhasson is book 2 in the Blood and Shadows trilogy and it brings us back to the world of the Sha'Kae al'Dan. I still love this world Shannari, Rhaekar and Gregar live in. I'm still in awe how different it is and I sometimes catch myself thinking of someone as my na'lanna. Joely put so much love in creating this world, you can feel it with every chapter you read. This world just grabbed my heart and I can't seem to let it go. Yes this world is brutal and full of violence but you also find total love and utter adoration and trust in it. It's balanced and it never makes you feel overwhelmed with one or the other. Shannari is getting stronger in this book. She still is not 100 percent sure she fits into the lifestyle of the Sha'Kae al'Dan but she starts to feel more at home. I loved to see her still blush when someone made a naughty comment but she learns fast and we now finally see her teasing back. Rhaekar is still the mighty warrior and powerful Khul of the Nine Camps. He's strong, stubborn but also totally smitten. He just can't deny Shannari anything not even the things she herself can't admit to want. He still pushes her and tramples one of her boundaries after the next. He wants her to accept what she is and that it's not wrong to love and to enjoy life. And then we have Gregar. \*insert dreamy sigh\* I still adore him. I would have never thought that such a wicked character could conquer my heart but he did from the start. In The Road to Shanhasson we learn more about him and his thoughts. I loved to see him worry and even more to see his adoration for Shannari. He really treats her like the most precious egg in the world (outside of the blankets \*wink\*). I think his appeal is a combination of both- to see his softer and his wicked side. Many things happen in this novel and I'm not at all happy about all of them. \*pouts\* I can't tell you why but this book made me cry. I know it was bound to happen but still it broke my heart. We live through many ups and downs with Shannari and meet some interesting new characters who make room for many naughty possibilities. The plot is engaging from the start, never let me release my breath and left me wanting more at the end. Joely has a talent for making the story flow just exactly right. It's hard to explain but everything just fits together and makes this book a round thing. The Road to Shanhasson is a wonderful Fantasy Romance which does everything right. I loved the story, the characters and the wonderful narration. This book broke my heart and put the pieces back together and left me with a warm feeling deep inside. I can't say often enough how wonderful Joely's books are and again I'm sitting here craving more. Highly recommended to all romance readers. The Road to Shanhasson is a wonderful and unique Fantasy Romance with wicked warriors, a heartbreaking love story and an engaging plot.

Kurzbeschreibung Book Two of the Shanhasson Trilogy Shannari has survived her enemies plots long enough to return to the Plains with Rhaekhar, but their new life together will not be easy. First, she has to get through a wedding ceremony that will make both him and his personal guard, Gregar, her co-mates without anyone dying. Since both she and Gregar are Shadowed, that may prove to be an impossible feat. Tensions redouble with her return and Rhaekhar is further away than ever in uniting the Nine Camps of the Sha'Kae al'Dan. His enemies have the perfect weapon to use against him: his outlander woman. And no matter how far she is from the political and deadly waltz of the High Court, her destiny drags her step by reluctant step to Shanhasson. The road back to Shanhasson is thick with shadows and stained with blood. How many of her loved ones will die in her fight to claim the Rose Crown? Warnings: Explicit sex, BDSM, violence, torture, sadomasochism, menage a trois, and an impossible battle against an enemy that can't die again.
