Von Judson Roberts : The Road to Vengeance (The Strongbow Saga Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Road to Vengeance (The Strongbow Saga Book 3) (English Edition):

Kurzbeschreibung845 A.D.the war in Frankia continues. Although increasingly outnumbered and in danger of

becoming surrounded and cut off, the invading Danish army pushes deeper into enemy territory. But while the Danes leaders quarrel, the Frankish army, vast in size and power, slowly gathers. The Strongbow Saga is an epic tale of one mans unstoppable quest for justice and vengeance that carries him across the 9th century world of the Vikings. In The Road to Vengeance, book three of the Saga, Halfdan Hrorikssons courage and skill have won him the support of powerful allies, including the cunning Viking chieftain Hastein, and fate has delivered into his hands a beautiful Frankish noblewoman, a valuable hostage whose ransom will bring him wealth. But even deep in Frankia, he is not safe from the hatred of Toke, the treacherous Danish chieftain who murdered Halfdans half brother and seeks Halfdans life, too. Now Halfdan must not only survive the Danish armys desperate final gambit, but also defeat the deadly enemy within the army who is stalking him.
