Von Jennifer Haymore : The Rogue's Proposal: Number 2 in series (House of Trent) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rogue's Proposal: Number 2 in series (House of Trent):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. solid story, likeable characters, just too much details on the sexVon Andrea MaierI liked Emma from the start and how she

interacted with Lord Lukas. He is more difficult to like but starts to grow on you the more you read. Reading about his awful childhood it is easy to understand how he became what he now is. To see their love develop while trying to locate the man who has abducted Luke's mother and stolen all of Emma's family's money is quite entertaining. What I did not like all too much are the very detailed sex scenes - I sometimes felt I learned more than in the recently read book on sexual education....

Kurzbeschreibung Lukas Hawkins, the second son of the troubled House of Trent, is on a mission: find his missing mother and her alleged kidnapper, a brute named Roger Morton. If bringing the villain to justice means breaking a few laws, then so be it. But when he encounters a mysterious stranger with the face of an angel and a body made for sin, Luke suddenly finds his task - and his heart - in peril. Emma Curtis knows of Lord Lukas's rakish reputation and hopes to use it to her advantage. While most men of honour would never travel alone with an unmarried woman, Luke is quite willing to take Emma on the road . . . and into his bed. As their journey carries them to unexpected places, Luke and Emma indulge their every passion and share their most private fantasies. But just when their deepest desires are finally within reach, a secret is revealed that threatens to end their love forever . . . 'An author to watch!' Nicole Jordan, New York Times bestselling author Pressestimmen Haymore secures her reputation for crafting original, suspenseful, highly sensual love stories. Her strong characters, their powerful dialogue and the fast-moving plot add to the enjoyment as much as the high degree of sensuality. Haymore allows readers into the hearts and minds of her characters so they fall in love with them as they evolve. Readers looking for sold writing and action/adventure with an edge of the erotic need look no further RT Book s A delightfully written novel with a dominant male in it who knows how to make your toes curl with just a whisper ...
