**Von David Eddings : The Ruby Knight (The Elenium Trilogy, Book 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ruby Knight (The Elenium Trilogy, Book 2):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Then Ruby Knight by David EddingsVon ChrisThis is the first book that I've ever read by David Eddings, and it definitely will not be the last. I haven't ever wanted to read anything since I first started learning to read when I was about 4 or 5, but I'm fourteen now and I love this book! I'm just your average fourteen-year-old too. Not some little bookworm.

Anyway, enough about me, about this book. These are what I found to be strong-points: Huge cast of important characters. Each character is uniquely different [that may have been a redundant statement (uniquely different), but work with me!] The author, David Eddings, introduces character traits all throughout the novel. Lots of suspense and mystery. Anyway, I'm in class right now so I guess I'll go now before the bell rings. Believe me, there's so much more that I haven't mentioned. So, all-in-all, a great book! I can't wait to read more books by David Eddings.

Von Bjoern Schultheiss Die Elenium Reihe und danach die Tamuli Reihe (auch wenn diese einige Lagen aufweist) gehören auf der Liste meiner liebsten Fantasy-Bücher ganz weit nach oben. Die Geschichte weit alles auf was man von guter Fantasy erwarten kann und hat einige interessante Wendungen zu bieten (hier mehr dazu zu schreiben wren echte Spoiler, daher verzichte ich darauf). Die Charaktere sind facettenreich und besitzen Tiefe, die Geschichte ist spannend, bietet Kampf, Intrige und Humor sowie Magie, ohne das Letztere, wie in so vielen anderen Geschichten bermchtig wre. Ich kann diese Eddings Reihe nur empfehlen. Ich habe auch seine Belgarion-Saga gelesen, die ich ok fand, seine neueren Bücher waren nicht mehr so mein Fall, aber Elenium und Tamuli habe ich inzwischen mehrfach (zuerst auf Deutsch und später nur noch im Englischen Original) gelesen und werde es vermutlich irgendwann noch einmal tun!

Kurzbeschreibung Book two of the classic ELENIMUM trilogy. The quest for the jewel of life continues. Time is running out for the poisoned Queen Ehlana. If she is to be saved Sparhawk must find the only cure a powerful artefact called the Bhelliom before its too late. But finding the rose-shaped sapphire is no simple task. No one has set eyes upon it since it was lost in the heat of a legendary battle. To make matters worse, Sparhawk and his allies are not the only party questing to find the jewel. From Publishers Weekly

In The Diamond Throne , the first book in this trilogy, Sir Sparhawk and his companions discover that Ehlana, Queen of Elenia, had been given a rare poison, administered by Primate Annias, head of the country's church, in his effort to use the royal treasury to buy the election of the next Archprelacy. The only possible cure is the Bhelliom, a lost, powerfully magical artifact that even the Elder Gods are hunting for. Here the members of the group search for Bhelliom themselves, in spite of rival search parties, church and mundane politics, war and an angry, evil God. Eddings's delightful style propels the reader along a well-crafted and carefully unfolding course, and even through the few places he falls back on cliches of the genre. His characters are satisfyingly drawn; Sparhawk, his friends Kalten and Sephrenia and their companions are complete individuals, and the minor players are distinctive. A thoroughly enjoyable fantasy/adventure. Copyright 1990 Reed Business Information, Inc.

From Library Journal The Pandion knight Sparhawk and his companions continue their quest for the Bhelliom, the legendary jewel whose power alone can save a dying queen. Eddings's strength lies in his ability to create thoroughly likable heroes with personalities that transcend the formulaic fantasy genre. Graceful prose and judicious humor add style to this excellent addition to fantasy collections. Recommended. Copyright 1990 Reed Business Information, Inc.
