BoringVon Willy GerberBoring, boring, boring. Badly written, no suspense, no action, no humour, no nothing. And after 481 pages the book is not even finished. If you want to know what happens next you will have to buy another

book "Trader of secrets". Guess who is not going to buy this book!

Pressestimmen Martini's nail-biting 11th Paul Madriani thriller.... Against a fast-moving backdrop of technical wizardry, geopolitical maneuverings, and narrow escapes, Madriani...pursues Thorn in order to locate Liquida.... Martini does a fine job of misdirecting the reader as to the intended terrorist target. --Publishers Weekly If this latest novel is any indication, the likable criminal defense attorney [Paul Madriani] is showing no signs of slowing down. --Booklist Kurzbeschreibung Steve Martini is an expert at good old-fashioned, gimmick-free storytelling.
