Von Sandra Chastain : The Runaway Bride: A Loveswept Classic Romance before purchasing it in order to gage whether or not it would be worth my time, and all praised The Runaway Bride: A Loveswept Classic Romance:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another runaway hit by Ms. ChastainVon Ein KundeIn 1868, Dr. Annalise Sinclair sneakily leaves New York City and her beloved Wall St. farther behind in order to practice medicine in the only place she feels will accept a woman: the frontier of Wyoming. At the same time, Daniel Miller has just returned to the States after serving as a diplomat in France during the Civil War. He convinces his father and father's business associates to allow him to build a railroad spur in Wyoming that will make millions for the financially strapped group.Daniel heads West on the same train that Annie takes. From the onset in Brooklyn until they reach Wyoming, Daniel seems to be rescuing Annie and kissing her. As they fall in love, an unknown assailant, who loathes Daniel's father, is doing everything to delay the

completion of the spur. Annie believes that marriage would only interfere in her life's dream to practice medicine because even on the frontier, individuals are hesitant to see a woman doctor. Daniel knows he must build a spur, keep his beloved safe, and persuade her that she can be his woman and the town's doctor at the same time. Sandra Chastain has written over 35 extremely popular romance novels that have led to her receiving numerous awards and landing on many best selling lists. Her newest release, *THE RUNAWAY BRIDE*, will earn this mighty talent new recognition and a return to her familiar spot on all the lists. The story line is a warm Americana romance that provides a beautiful romance to the backdrop building of the cross continental railroad. The characters are entertaining, especially Dr. Annie. Heading into the millennium, there remains no question that Ms. Chastain is still one of the genre greats. Harriet Klausner

Kurzbeschreibung Sandra Chastain unleashes a steamy tale of two determined individuals braving the uncharted territories of the West and of the heart. If there's one thing Annalise Sinclair cannot do, it's derail her plans to be a doctor just to marry a rich man like Daniel Miller. Besides, a woman can't have a profession and a husband. Eager to put as much distance as possible between her and Daniel's tempting gaze, she makes tracks for the Wild West. But no matter how deep into the wilderness the train takes her, she can't avoid the one man she'd hoped to outrun. Once the transcontinental railroad is complete, big money will be made. Until then, the entire Miller fortune is in jeopardy. If Daniel had married a rich woman like Annalise Sinclair, his family's worries would be over. Determined to prove his worth, Daniel vows to make his own way by building a spur off the main line. But then trouble comes in the forms of natives, saboteurs, and a stubborn woman named Annie who makes the job a whole lot more difficult . . . and stimulating.
