Kurzbeschreibung DESTINED by prophecy. GUARDED by deception. PURSUED by Love. Centuries ago, an oracle foretold of the young woman who would defeat Everias most ancient enemy, the Cobelds. But after two centuries of relative peace, both the prophecy and the Cobelds have been relegated to lore and only a few remain watchful for the promised Ryn. Finally, a child is born who matches the oracles description, but a Cobeld curse accompanies her birth. Led to believe they succeeded in killing the prophesied child, the Cobelds emerge from hiding with plans to overtake the Kingdom. But the child survived. Secreted away and called Rose for the first nineteen years of her life, Rynnaia E'veri has no idea of her true identity until a chance meeting with an injured knight reveals not only her parentage and true name, but the task assigned her by the oracle: discover the Remedy that will destroy the Cobelds' power. Now, her time has come. Offered the assistance of pirates, scribes, storytellers, a young woman who died centuries ago, and the knight who is quickly working his way into her heart, Rynnaia is fortified with friends. But if the Ryn is to complete her task, she must come to terms with not only who she is, but for whom she must be willing to die. For the kingdoms survival depends on her. The Ryn begins an epic re-imagining of the classic Grimm fairy tale, Snow White Rose Red which is concluded in Eyes of E'veria book two, The Remedy, available now....but the Eyes of E'veria series is only beginning. The Seahorse Legacy (Eyes of E'veria, book 3--releasing May 2014) begins the second 2-book set in this series, retelling The Twelve Dancing Princesses with . . . pirates . . . and will conclude that tale with The Sunken Realm in 2015. About the author: Serena Chase frequently contributes book reviews, author interviews, and features for USA Today's Happy Ever After blog as well as for Edgy Inspirational Romance. A life-long lover of fairy tales who admits to being mildly obsessed with pirates, Serena lives in Iowa with her husband, two daughters, and a white goldendoodle named Albus. The Ryn is her first novel.
