Awesome readVon Rady ReadsThis book is amazing!Ari's secret wish is to loose her virginity in a different way than what you normally would. She is ready but needs the right guy.... who happens to be Connor. The deal is only one night without strings. As they discuss their "one night," something from her past comes to surface and Ari has got issues. She needs to be safe and hopefully Connor will get it to her.The story is fabulous written.... loved every and I

mean really every word. Can't wait for more

KurzbeschreibungArianne Duggan, known as Ari, is 28 years old and still a virgin. Unbeknown to anyone, other than one other person, lies a darker side of Ari. She wants to lose her virginity but not in the ordinary way. No! She has specific needs. She doesn't want a relationship, just a night. One night to be fucked the way she desires. Connor Lewis has everything that Ari is looking for. Tall, blonde, blue eyes and a six pack. Connor is a typical, 30 year old man, with a demanding nature that he keeps hidden. He loves life and is a happy soul. He has a reputation as a bad boy due to his looks and the tattoo that runs down the left side of his body. He is just what Ari is looking for. But is he? After approaching Connor on a night out they strike up a deal, a deal that benefits them both. The connection she feels with Connor scares her, because she doesn't know that after one night with him, she will be able to walk away. Unbeknown to her Connor feels the same, but he too is scared. No woman has got under his skin and accepted him the way he is in the bedroom, until Ari. On the verge of striking up a new deal, a face from Ari's past makes a dramatic entrance and the demons she thought she had fought, come back to haunt her. Struggling with her emotions, she pushes Connor away, until he puts forward a new deal to her. A different deal! Will she take it? Will the feelings that they have both kept tucked away come spilling out or will they stay safely locked away, forever!
