Tales of Love and LossVon Donald Mitchell"Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; does not behave rudely, does not seek its own, is not provoked, thinks no evil; does not rejoice in iniquity, but rejoices in the truth; bears all things, believes all things, hopes all things, endures all things. Love never fails." -- 1 Corinthians 13:4-8 (NKJV)In this delightful series, the best books are filled with examples of love and kindness in which there is no self-seeking. Over time, the stories gradually drifted into lots of satire into the foolishness of those who chase after modern ways and material success. This book brings the series back to its roots as Mma Precious Ramotswe deals with love from many different angles: loving a neighbor, the love of men and women for one another, love between parents and children, the dangers of lusting after the opposite sex and beautiful things, and the joys of being contented with the simple things in life. As each aspect of the story unfolds, there's a heartwarming grace to the development that will leave you feeling a gentle kindness enveloping you. Still, there are many humorous moments to bring a smile to your face and an occasional chuckle: Mma Makutsi trying to hide a foolish mistake, seeking to blunt Violet Sephotho's ambition from taking on a new dimension, "ghost" appearances of a white van, and Mma Ramotswe finding it difficult to sort out the truth in a situation where several people are lying. I felt uplifted by and grateful for having the opportunity to read this gentle book. Bravo!5 von 5 Kunden fanden die folgende Rezension hilfreich. Lovable Mma RamotsweVon Klaus D. ReinhardtThis is the 12th and (for the time being) last of Mma Ramotswe's detective activities, and it is a much more a story of human caring for others than adventurous. He plays in a most kind way with the weaknesses with his heroes and never let one really down, regardless of their failures. McCall Smith's humour is affectionate and in reality he expresses no less than his endless love for wonderful Botswana and their humble people and make you want to visit that country (which I do early next year!) Once you start reading one of his novels, you want to read them all and even long for more; it is addictive. I would give him 5+ stars!3 von 3 Kunden fanden die folgende Rezension hilfreich. Ssse WohlflgeschichteVon Fuchs Joan McCall Smith hat es wieder einmal geschafft, die Geschichte, in der Grace Makutsi endlich ihren Phuti Rhadiphuti heiratet und dabei noch einige Umwege gehen muss. Precious Ramotswe wird in einen kniffligen Fall verwickelt, der am Ende aber dann doch *Spoiler* ohne Lsung bleibt, die Menschlichkeit steht an erster Stelle, der Gerechtigkeit wird Genge getan. Vielschichtig, liebenswert, humorvoll und immer warmherzig, mit einem verzeihenden Blick auf die Schwchen der Menschen. Danke dafr.

KurzbeschreibungAs the countdown to Mma Makutsi's wedding begins, all is not as it should be at the No.1 Ladies' Detective Agency. While investigating unpleasant occurrences on a southern cattle-post, Mma Ramotswe, always on the side of the weak against the strong, has reason to reflect on Rule No.3 of The Principles of Private Detection: never lie to the client. Apprentice mechanic Charlie seems to be avoiding certain important responsibilities. And as Mma Makutsi's big day approaches, her nemesis Violet Sephotho is casting her net wider: by standing for election which could spell trouble for the entire nation. But as friends and family gather under starry African night skies, it turns out that even the most perplexing of apparitions - and the most shocking of crimes - may yield to rational explanation. And, of course, to Mma Ramotswe's inimitable way with love, intuition and redbush tea.Pressestimmen#1 NATIONAL BESTSELLER INTERNATIONAL BESTSELLER "Smith again makes the sublime look easy in his winning 12th No. 1 Ladies' Detective Agency novel... Smith has few peers in capturing the quiet moments of people's lives, and his empathetic lead has one of the biggest hearts in modern literature. Even newcomers will quickly be drawn into Mma Ramotswe's unconventional approach to investigations and rapidly feel that they are with old friends."-- "Publishers Weekly" (starred review)"Utterly charming and compulsively readable." -- "Newsweek"" ""The pleasure of these sweet books lies in the clarity and gravity with which the characters reason through everyday dilemmas." -- "Entertainment Weekly" "McCall Smith's characters are quick to find joy in small things. . . . In its own way, McCall Smith's world is as stylized and hermetic as those created by P.G. Wodehouse or Damon Runyon--a sweet and timeless bubble with its own morality, language and customs. Entering it can be a source of great comfort in these uncertain times." -- The Seattle Times"Praise for the No. 1 Ladies' Detective Agency: "Irresistible." --"The New York Times Book ""The pleasure of these sweet books lies in the clarity and gravity with which the characters reason through everyday dilemmas."--"Entertainment Weekly""The best, most charming, honest, hilarious and life affirming books to appear in years."--"The Plain Dealer""Millions of readers around the world... seem to hunger for the kindness, dignity and humor McCall Smith celebrates in Mma Ramotswe." --"The Oregonian""Utterly enchanting."--"Chicago Sun-Times" Werbetext* Mma Ramotswe's twelfth adventure
