

editor would attend a refresher course on English Grammar and Spelling! The grammar actually was not too bad, but oh! the spelling! Not only were words misspelt, but there were words missing, or the wrong word chosen ("him" instead of "his", for example). Such a pity, because that took away some of the joy and fun I had reading this book, and this is why it does not have the full amount of stars! I would still recommend reading this book if you want a funny love story in the Wild West, with likeable characters and a good plot!

Near Deadwood, 1877
The Martyr Trew Wakefield was raised in a church and taught to believe in God and the Bible, but her faith was badly shaken by her first husband who treated her cruelly. When he meets his maker in an Indian attack, she is hard pressed to feel any grief over his demise.
The Scoundrel Brand Kensington owns the local whorehouse and saloon in the small community of Chance. Hes made his share of enemies over the years and it seems theyve all come to town at once.
The last thing Brand needs in his life is to take a helpless widow under his wing, but he cant seem to turn away from the woman with the purple eyes. When she gets caught in the middle of his troubles, he discovers that his heart is just as vulnerable as his flesh. Trew cannot bear the thought of trusting another man, but Brand proves himself time and again making her believe not only in her own strength and abilities, but in his love for her as well.
