knstlich aufgebauschte Geschichte gelesen. Ich darf gar nicht daran denken, dass ich DAFR 1,49 bezahlt habe! Schade um jeden einzelnen Cent und schade um die Zeit! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Will the story continue? Von Customer The Second Chance Cafe is a entertaining with a good story that makes you want to learn more about the main characters. That is however, also what is missing in this book. I finished reading with a bit of disappointment. Various aspects of the story would have been interesting to read more about. Nevertheless, I enjoyed it and hope for a sequel to the story. 1 von 1 Kunden fanden die folgende Rezension hilfreich. The second chance caf Von Blmchenfr den Urlaub habe ich mir einen "Vorrat" an Lesestoff auf meinen Kindle geladen - auch "The second chance caf", da die Leseprobe ok war. Doch leider ist die Geschichte richtig kitschig, ohne Spannung und ohne Sprachwitz - und immer wieder die gleiche Leier ... Und wem wrde einfallen, diese pappsen Brownies nachzubacken??

Kurzbeschreibung Growing up, Kaylie Flynn was shuffled from foster home to foster home before being welcomed into Winton and May Wises family. It was May who taught Kaylie the comfort of home, and the healing power of baking the perfect brownie. Years later, May leaves Kaylie the money she needs to open her own caf in the charming Victorian house they once shared. Now back in Hope Springs, Kaylies determined to finally make all her dreams a reality and unearth answers to lingering questions about her past. Soon, however, Kaylies carefully laid plans take an unexpected turn. The house needs far more work than she realized, and Tennessee Keller, the carpenter Kaylie hires, is proving to be a very handsome and very unneeded distraction from her quest to uncover the truth about her parents. When a crisis threatens to destroy everything shes worked so hard to build, Kaylie must decide where her heart lies: with the ghosts of her past or the love and promise of her future.
