Von Joanna Wayne : The Second Son before purchasing it in order to gage whether or not it would be worth my time, and all praised The Second Son:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The Second SonVon Penny Griffin, Intrigue FanJoanna Wayne revisits the characters of her best book to date, "Family Ties," with her best book since, "The Second Son." Sheriff Branson Randolph and his brothers are shocked when a woman arrives on their doorstep with a baby she claims belongs to one of them. The plot thickens when the woman falls over with a bullet wound in her back. Branson teams up with the woman's sister, who insists her sister has not had

a child, to solve the mystery. It looks like Lacy Gilbraith is in as much danger as her sister. Who better to protect her than a tough Texas lawman? I was more a fan of "Family Ties" itself than the brothers so many readers seem to have demanded hearing more of (Branson himself wasn't the nicest of characters in that book, and one didn't even appear), but I have to admit they bring out the best in the author. "The Second Son" is a masterfully plotted book with strong, dynamic characters and a story that never stops moving. Branson and Lacy meet in a unique opening encounter that sets off sparks right away, and Wayne crafts a complex, twist-filled mystery to keep readers turning the pages. Readers should be gladly looking forward to the stories of Branson's brothers in the next two books. Taut and exciting, "The Second Son" is an excellent start to this new miniseries.

Kurzbeschreibung Branson, Langley and Ryder: Randolph brothers, family men, larger-than-life Texans. Flesh and blood bind them to each other and to a mystery baby girl. One is her father, all are her protectors. Sheriff Branson Randolph embodied all that the West was known for: cowboy grit and raw justice. Lacy Gilbraith had never known men like him existed. Even now she had a hard time believing the sheriff was for real. Branson was a man who told the truth and expected others to do the same no matter the consequences. But Lacy was a woman with a bellyful of secrets. She was the only link to the mystery baby, and someone wanted to silence her forever. But that would never happen while in Branson's protective custody. Lacy's greatest danger lay in losing her heart to the Texas lawman.
