Von Tanya Huff : The Second Summoning (Keeper's Chronicles) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Second Summoning (Keeper's Chronicles):

Typical Tanya HuffVon Ein KundeSince the first rumours of the sequel to "Summon the Keeper" came up I couldn't wait to lay my hands on it. Now here it is and I started reading the day it arrived. It met all my expectations: the typical Tanya

Huff humour, the snappy remarks of Austin the cat, a love story that was no love triangle, a catching plot and most important of all Ms. Huffs style in telling a story. It also contained a lot of annoying teenagers who quickly got on my nerves and made me fidget to get on to "real" people. I don't care about kids and their problems, their behaviour and their way of life. Unfortunately the story covered lots of these which made the book sometimes hard to read. I didn't like Claires teenage sister in the first book and I definitely loathe her now! Still, "The Second Summoning" is worth reading as the good parts make you forgive and forget any annoyances. 0 von 0 Kunden fanden die folgende Rezension hilfreich. gute Fortsetzung Von willowwitch In diesem zweiten Band der Keeper-Reihe bekommen es Claire, Dean und Diana mit einem Engel und einem Dmon zu tun, die drohen, das Gleichgewicht zwischen Gut und Bse ins Wanken zu bringen. Verantwortlich fr dieses Chaos sind sie im Prinzip selbst, aber ich will der Geschichte nicht weiter vorgreifen. Die Beziehung zwischen Dean und Claire verfestigt sich in diesem Band zusehens, immer bissig kommentiert von Kater Austin. Dagegen sind die beiden Schwestern sich selten einig und auch ihre Wortgefechte sind recht ansant. Dianas rechthaberisches Getue allerdings ist mir stellenweise schon ein wenig auf den Keks gegangen und ich htte ihr manchmal gerne die Ohren lang gezogen. Insgesamt eine gelungege Fortsetzung; Band drei werde ich mir sicher auch bestellen, sobald ich den Stapel Bcher durch habe, der zur Zeit noch ungelesen auf meinem Regal liegt...

Kurzbeschreibung Discover the second book in the Keeper's Chronicles, where a young woman masters of the possibilities of time and space, maintaining the balance between worlds to protect Earth. Claire Hansen was a Keeper, gifted or cursed with the job of being one of Earth's Guardians, Summoned to areas where anomalies existed, where rifts had opened or had been opened. Such places were the world's danger spots where, if they weren't sealed in time, all the minions of Hell might break through. After she'd closed the portal into Hell at the Elysian Fields Guest House, Claire and her talking cat, Austin, found they'd acquired a new companion Dean. Though Dean was a Bystander and shouldn't have been allowed to even remember Keepers existed, somehow in the course of their mutual ordeal at the Elysian Fields, he'd become an indispensable part of Claire's life. She knew she should change his memories and force him to leave her. Any other course was bound to lead to disaster. But as it turned out, it was already too late, for without Dean around Claire could easily become a danger to herself and the very fabric of space and time. Yet with Dean around and a little of her sister Diana's meddling thrown in the world was headed straight for Chaos. And Claire was about to face a challenge beyond her wildest imagining a catastrophe created by the power of love when an angel and a devil each manifested in the mortal world as fully endowed teenagers, who didn't have a clue how to handle their all-too-human bodies, raging hormones, and opposing needs to do good and evil....
