Von Sue Townsend : The Secret Diary of Adrian Mole Aged 13 3/4: Adrian Mole Book 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret Diary of Adrian Mole Aged 13 3/4: Adrian Mole Book 1:

KundenrezensionenHilfreichste Kundenrezensionen8 von 8 Kunden fanden die folgende Rezension hilfreich. Ein KlassikerVon Ein KundeEntgegen der im Titel suggerierten Zielgruppe habe ich die Erfahrung gemacht, dass vor allem Mdchen und Frauen ab 16 oder 17 dieses Buch urkomisch finden. Sue Townsend beschreibt die "Abenteuer"

eines pubertierenden 13 3/4 jährigen Jungen. Er selbst empfindet sich als schnegeistig und intellektuell, seine Eltern empfindet er als Kulturbanausen. Nur seine Liebe zu Pandora, seiner Mitschlerin und seine Freundschaft zu einem alten Mann ist ihm "sein Leben ertragen". Unglaublich komisch geschrieben und treffend beobachtet! Ein wahrer Lesegenuss... nur eben nicht für knapp 14-jährige Jungen. 15 von 16 Kunden fanden die folgende Rezension hilfreich. Pubertäts- und andere Notizen -- very british und very komisch Von weiser111 Er hat's nicht leicht, der arme Adrian Mole: Kein Mensch hat Verständnis für seine intellektuellen Ambitionen -- immerhin hat ihm die BBC schon einmal seine Gedichte zurückgeschickt -- und für die Auswirkungen von Pickeln und chaotischen Familienverhältnissen auf seine feinsinnige Künstlernatur. Seine Eltern wollen sich scheiden lassen, jeder von ihnen hat bereits einen neuen Partner: Seine Mutter einen gewissen Mr Lucas, und sein Vater eine gewisse Doreen Slater samt deren unerträglichem kleinen Sohn Maxwell. Außerdem ist Adrian verliebt, und dass seine Auserkorene auch noch Pandora heißt, scheint kein Zufall... Dann waren da noch der herrlich verschmudgelte Rentner Bert Baxter mit seiner Freundin Queenie und seinem gemeingefährlichen Schferhund Sabre; Adrians (mitunter ehemaliger) bester Freund Nigel; ein wohlmeinender Lehrer, der bald sein Angebot bereut, dass jederzeit jeder Schler mit seinen Problemen zu ihm kommen darf; Adrians sarkastische Gromutter; die bis ins Mark britische Nachbarschaft, und noch einige andere. All seine Liebes- und anderen Notizen vertraut Adrian brhwarm und in allernaivster Harmlosigkeit seinem Tagebuch an. Wie er das chaotische Familienleben und sein nicht minder verqueres Seelenleben akribisch festhält, wie er fassungslos das irrationale Verhalten der Erwachsenen protokolliert, wie ihm wohl als einzigem der Durchblick abgeht -- das spricht von Situationskomik. Ganz nebenbei wird auch noch das Thatcher-England der 1980er Jahre aufs Korn genommen. Falklandkrieg und Jugendszenen von den Punks bis zu den Poppers, politisch ambitionierte Schlergruppen -- alles gehört zum britischen Alltag der Zeit, und diesen Alltag lernt man aus Adrian Moles 13 3/4-jähriger Perspektive kennen. Britische Hochkomik vom Feinsten. Allerdings keine Brachialkomik. Wie in "The Queen and I" schafft es Sue Townsend auch hier, platte Gags zu vermeiden und vor allem: ihren Figuren Leben einzuhauchen: Ihre Figuren, so komisch sie auch sein mögen, bewahren sich immer ihre Würde. Die Pointen sind daher auch beim x-ten Wiederlesen immer noch geistreich und witzig. Witzig -- und melancholisch zugleich. Man kriegt sich nicht mehr ein vor Lachen, und man ist dankbar, den 14. Geburtstag schon hinter sich zu haben, denn ein klein wenig lacht man auch immer bei sich selbst. Vielleicht ist gerade das der Grund, warum man dieses Buch so liebt und es immer wieder zur Hand nimmt. 6 von 6 Kunden fanden die folgende Rezension hilfreich. This is not only for young adults. Von Edtex@AOL.com I read this the first time at age 55. I took it over to my neighbor (she was 62). I sat on my porch and listened to her laugh for a couple hours. She took it to another neighbor whose daughter was sick in bed. She read it to her daughter and I could hear them laughing two houses away. It's a wonderful book. You wouldn't want to live next door to Adrian, but he's has a special insight into the peculiar intricacies of life which truly will lighten your day. If you're depressed, don't pass it up. I read 2-3 books a week and this is on my list to re-read again and again.

Kurzbeschreibung The Secret Diary of Adrian Mole Aged 13 is the first book in Sue Townsend's brilliantly funny Adrian Mole series. Friday January 2nd I felt rotten today. It's my mother's fault for singing 'My Way' at two o'clock in the morning at the top of the stairs. Just my luck to have a mother like her. There is a chance my parents could be alcoholics. Next year I could be in a children's home. Meet Adrian Mole, a hapless teenager providing an unabashed, pimples-and-all glimpse into adolescent life. Writing candidly about his parents' marital troubles, the dog, his life as a tortured poet and 'misunderstood intellectual', Adrian's painfully honest diary is still hilarious and compelling reading thirty years after it first appeared. Bestselling author Sue Townsend has been Britain's favourite comic writer for over three decades. I not only wept, I howled and hooted and had to get up and walk around the room and wipe my eyes so that I could go on reading 'Tom Sharpe' A satire of our times. Very funny indeed' Sunday Times 'We laugh both at Mole and with him. A wonderful comic read, that, like all the best comedy, says something rather meaningful' Heat Sue Townsend is Britain's favourite comic author. Her hugely successful novels include eight Adrian Mole books, The Public Confessions of a Middle-Aged Woman (Aged 55), Number Ten, Ghost Children, The Queen and I, Queen Camilla and The Woman Who Went to Bed For a Year, all of which are highly acclaimed bestsellers. She has also written numerous well-received plays. She lives in Leicester, where she was born and grew up. In his secret diary, British teen Adrian Mole excruciatingly details every morsel of his turbulent adolescence. Mixed in with daily reports about the zit sprouting on his chin are heartrending passages about his parents' chaotic marriage. Adrian sees all, and he has something to say about everything. Delightfully self-centered, Adrian is the sort of teen who could rule a much better world--if only his crazy relatives and classmates would get out of his way. The Secret Diary of Adrian Mole is a riot, and--although written more than 15 years ago--there is something deliciously timeless about Adrian's angst..comTeen angst has never been such serious business--or this much fun!
