**Von Viveka Portman : The Secret Diary Of Lady Catherine Bexley (The Regency Diaries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret Diary Of Lady Catherine Bexley (The Regency Diaries):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. eheliche Pflichten im RegencyVon Renate H.Lady Catherine ist 19 Jahre und wird mit Lord Joseph Bexley verheiratet. Die Hochzeitsnacht erweist sich als schmerzhaft und unbefriedigend. Aber Catherine ist sich sicher, dass da mehr sein muss. Daher berlegt sie, was zu tun ist, um den Gatten dazu zu bringen, sie nicht wie eine Lady, sondern wie eine Frau

zu behandeln. Die Geschichte ist ansatzweise geschrieben und glaubwürdig, da früher die Männer ihre "tierische" Seite eher bei einer Mätresse auslebten als mit den Gattinnen. Es ist witzig, wie Lord Bexley versucht, sich wie ein Gentleman zu benehmen, und Catherine alles tut um das zu verhindern. Nur leider ist die Geschichte viel zu kurz :- (Eine absolute Leseempfehlung für alle, die gerne eine unterhaltende erotische Geschichte lesen. Ich mache mich jetzt auf die Suche nach dem nächsten Buch der Autorin.

**Kurzbeschreibung** In the vein of Portia Da Costa and Charlotte Featherstone, Regency England gets just a bit raunchy in this novella about a gently-raised lady who wants to feel like a woman I have never seen fit in my life to divulge my secrets in a diary, yet now, after today's proceedings, I do Lady Catherine Bexley is new to marriage and the marriage bed, but surely there must be more to it than this? Her husband is proper and perfunctory treating her with careful respect but leaving her aching for more. When she witnesses a gentleman disciplining a maid at a house party, the ache explodes into ravenous desire. She finds herself no longer willing to wait for her husband's stiff and passionless attentions and soon develops a naughty plan to finally get what she wants. Praise for THE SECRET DIARY OF LADY CATHERINE BEXLEY: '...a quick, saucy read and one of the better erotica shorts that I've read thus far.' Australian Bookshelf 'It's a fun, sexy romp with plenty of action, perfect for those wanting to have a dip into a steamy historical world.' Sam Still Reading 'A short, but deliciously sensual read.'
