**Von Colin Dexter : The Secret of Annexe 3 (Inspector Morse Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret of Annexe 3 (Inspector Morse Series):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Not Dexter's best effortVon Ein KundeA good read, but this mystery is not up to the author's standards. The dialogue was not as humorous and imaginative, especially between Morse and Lewis, as it was in previous novels. For some reason the characters come off a little flat in this book. The plot suffers a little as well - just not the usual Dexter potboiler.0

von 0 Kunden fanden die folgende Rezension hilfreich. not bad Von Dr. Fechner-

Ma subject: ANKER 2.4G wireless, vertical mouse, advantage very good to handle, ease to operate releases load on the wrist. what i don't like is the f... tiny on /off switch, and because of the large housing ANKER could have provided the installation of 2 AA batteries instead of the 2AAA batteries, that would have greatly improved the lifetime of mouse operation before replacement of batteries is required.--0 von 0 Kunden fanden die folgende Rezension hilfreich.

Morse - as good as always! Von Niqui I am a big Colin Dexter and Inspector Morse fan and this book is no exception! Thoroughly enjoyable and hard to put down.

Kurzbeschreibung Morse sought to hide his disappointment. So many people in the Haworth Hotel that fateful evening had been wearing some sort of disguise - a change of dress, a change of make-up, a change of partner, a change of attitude, a change of life almost; and the man who had died had been the most consummate artist of them all . . . Chief Inspector Morse seldom allowed himself to be caught up in New Year celebrations. So the murder inquiry in the festive hotel had a certain appeal. It was a crime worthy of the season. The corpse was still in fancy dress. And hardly a single guest at the Haworth had registered under a genuine name . . . From Publishers Weekly In the British author's latest, his admirable Inspector Morse and Sergeant Lewis investigate a murder committed on New Year's Eve at a hotel in Oxford. Three couples are housed in the hotel annex, and one man, winner of the prize in the fancy-dress contest, is found dead in his room. The first problem facing Morse and Lewis is locating the other five guests, including the victim's wife, all of whom have fled, having registered under fake names and addresses. The irascible inspector needs patient Lewis's calming presence more than ever since the killers seem to have carried out a deep-laid and devious plot. They are so clever that the case challenges Morse's talent for spying each tree in a forest of tricks. Engrossed in the story that Dexter tells in his witty and stylish fashion, readers will savor the mystery of the masquerade and the detecting partners' ultimate triumph. Copyright 1987 Reed Business Information, Inc. From Library Journal The Secret of Annexe 3 features Dexter's (The Jewel That Was Ours, Audio s, LJ 9/15/94) popular Inspector Morse investigating a murder that results from a husband's discovery of his wife's infidelity. The story begins somewhat slowly but eventually captures the listener's attention through Dexter's ability to draw his characters and scenes so well. The interrogations are especially well done. Morse is as brooding and moody as the Wagnerian operas he loves. Stage and screen actor Michael Pennington's reading is clear, and the tone of his voice highlights the minor key of this work and Morse's character. An enjoyable work for public libraries. Michael T.
